PREFACE.

In presenting to the public our second edition of the ST. CATHARINES AND COUNTY OF LINCOLN DIRECTORY, we desire to state that the object which we trust has been attained is to provide a work full, complete and reliable, which will prove useful to all classes of the community. Every house in the city has been visited, and a street guide has been added which will no doubt prove to be very useful, In the county, in addition to the freehold, tenant farmers, their sons of age has been included, also the names of the widows and single ladies owning or renting farms, etc. We purpose republishing this work every three years and every edition will have the very latest improvements.

St. Catharines, June, 1887.
