

THE PASTOR'S BIBLE CLASSES.

These classes have met regularly during the greater part of the year ; that for young men on Sabbath afternoon at a quarter past three, and that for young women on Monday evening at half past seven. The number on the roll of the former is seventy-one, and on that of the latter, thirty-seven, and the attendance in both is for the most part regular, and the interest gratifying. The course of instruction is the same in both classes. During the present year, the subject is the Life of our Lord.
