COMMITTEE REPORTS TO METHODIST CONFERENCE

Sessions of Yesterday Afternoon and Last Evening—Britain's Conduct of the War Endorsed

At the conference last evening, Rev. J. H. Hazlewood, D.D., of Toronto, field secretary of the department of social service and evangelism, delivered an eloquent address on Social Service and Evangelism in the Methodist Church. Miss Whitner, a representative of the Deaconess Home and Training School, Toronto, delivered a neat and interesting address on the work mapped out for the members and gave a detailed account of their duties, and the good results from their efforts. She also spoke of the studies taken up at the school, and said that after graduation the members had to serve two years on probation before their final acceptance. The Laymen's Association of the New Brunswick and Prince Edward Island Conference held their last session yesterday, when plans for the year were taken up and acted upon. At their meeting last Saturday the following officers were elected: A. C. M. Lawson, president; Colonel F. S. Moore, of P. E. Island, vice-president; F. W. F. Brewster, secretary-treasurer; executive, Messrs. Lamont, Sampson, Kingston, McLeon and McKee. The afternoon session, which commenced at 2 o'clock with President Opie in the chair, was devoted to the consideration of reports. The contingent fund committee's report, presented by Rev. Thomas Hicks, who was reappointed treasurer, was adopted. The children's fund committee reported a balance on hand of \$347 and recommended that the assessment be the same as last year with the addition of Gape and Cape Oso, at \$2 each. The report was adopted and Rev. James Crisp re-elected secretary and Rev. George Steel treasurer. Rev. George F. Dawson reported for the supernumerary fund committee. The receipts for the year were \$8,307 and they recommended an assessment of \$3,200, the same as last year. The report

was approved and Mr. Dawson re-elected secretary-treasurer. Dr. Palmer submitted the report of the educational committee. The receipts for the year were \$1,781.06. Expenditures included \$200 for students' fees and \$400 for summer supply. The sum of \$2,385.55 was granted to Mount Allison. On motion the parsonage aid committee was reappointed with Rev. John A. Lives as secretary-treasurer. Rev. W. A. Ross, secretary of the N. B. & P. E. Island Sunday School Association, was heard in behalf of the interdenominational teachers' institute which is proposed for next year. The matter was referred to the Sunday school committee. On motion of Dr. Palmer, the committee on religious education in the public schools was continued for another year. Rev. H. S. B. Strothard reported for the committee on memorials. In an amended section of the report, the conference expressed willingness to assist in the compilation of a printed record of the minutes of all the conferences, but did not favor presenting a copy to all ministers. They resolved to publish their own minutes separately as usual. Again amending the report the conference went on record in favor of changing the end of the financial year from May 31 to April 30. Resolution on War. A section referring to the war was unanimously adopted, as follows: "Considering the very anxious times through which the British Empire of which we form a part, is now passing, owing to the fierce war in which it is now engaged and in which many of our sons are fighting for the defence of home and country, we desire as a conference composed of ministers and laymen, to express our sincere sympathy with its men engaged for our defence and pledge ourselves to support the interest of our nation which, we believe, to be along lines of honor and the advancement of righteousness among nations." The action recommending that no ac-

WEDDING ANNIVERSARY At the home of Mr. and Mrs. Oliver F. Emery, West Side, last evening, about fifty friends gathered and presented to her a lovely shower in honor of their eighteenth wedding anniversary. They received many beautiful gifts. All present had an enjoyable time in games and dancing. All left in the early hours of the morning wishing Mr. and Mrs. Emery much happiness in the future.

SONG OF THE 26TH BATTALION

Oh, we are the boys of loyal N. B. The land of the moose and the deer; Our lives, all lived mid the happy and free, Are foreign to weakness and fear. Our hearts are set to the tune of the breeze, That sings through our forests and vales; Our motto is "work"—we crave not for ease— And for us that work never fails. Our homes are bright and plentifully stored With all the good earth can bestow, And that which labor and nature afford We get, and we give, as we go. And now we're giving our strength and our lives— For doubtless a portion will fall, But each one knows if he never survives, That suffering and death isn't all. We live but to give, and giving, we trust Our effort will not be in vain. So now to a cause that is worthy and true, We give of our sinew and brain. We'll fight night and morn, nor come back again Until this mad war lord is "downed." And tidings of peace, with happy release Shall through the whole world then resound. F. H. South Bay, N. B. "Very gratifying," said a young and connected novelist. "A gentleman writes me that he took a copy of my last work to read during a railway journey, and as a result suddenly discovered he had gone twenty miles beyond his destination." "Dear me," commented the young author's friend, "sleeping in trains is a bad habit!" A board school teacher, putting his hand on the shoulder of a boy of doubtful character, said, "I believe Satan has got hold of you." "I believe so, too," was the reply.

A Beauty Hint

The new treatment for tender skins ANY people with tender skins have been misled by the superstition that washing the face with soap and water is bad for the complexion. One authority says, "The layer of dirt and fat that such persons accumulate on the skin is a poor substitute for a clean, clear skin and is a constant invitation to various disorders." The following treatment with Woodbury's Facial Soap is just what a tender skin needs to keep it attractive and resistant. Just before retiring dip a soft washcloth in warm water and hold it to the face. Do this several times. Then make a light warm water lather of Woodbury's and dip your cloth up and down in it until the cloth is "buffy" with the soft, white lather. Rub this lathered cloth gently over your skin until the pores are opened and thoroughly cleaned. Rinse the face lightly with clear, cool water and dry the skin by patting, not rubbing, with the towel. Use this treatment persistently for ten days and your skin will show a marked improvement—a promise that loveliness which the steady use of Woodbury's brings to a tender, sensitive skin. A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Get a cake today. It is made in Canada and is for sale by Canadian druggists from coast to coast.

"An Old Man at 40"

How often you hear that remark! How many such men there are! And how needless it is! Wrong food is the big cause. When one feels old at forty the first thing is to correct improper diet. The main fault with the dietary is often a lack of the vital mineral salts in food. Without these mineral elements old age steals on rapidly. To meet this very condition a food was devised which supplies those mineral elements such as phosphorus, iron, sulphur, etc. That food is

Grape-Nuts Made of whole wheat and barley, this delicious food retains all the nutriment of these grains, together with the priceless mineral elements—notably lacking in white flour foods—which the system must have to build and maintain vigor and elasticity of body, brain and muscle. One can avoid this "old-age-at-40" business by proper eating and living.

NON RUSTABLE D & A CORSETS The War tax on corsets adds nothing to the retail price of a D & A or a La Diva Corset. Because they are Made-in-Canada—But, about fifty cents, out of every dollar paid for imported corsets, now goes for customs duties and profits on them, which add nothing in corset value.
