

MRS. TAYLOR HEADS OLD GIRLS' ASSOC.

Graduates of Netherwood Have Annual Meeting—Picnic is Planned

Mrs. F. R. Taylor was elected president of the Old Girls' Association of Netherwood school at the annual meeting of the association held last evening at Mrs. Taylor's home in Rothery with 35 of the members present. The association decided to publish a bulletin listing all the names of the members of the association with short sketches and to have the bulletin illustrated with photographs. Miss Irene McArthur was appointed convenor for this undertaking and it was hoped that the bulletin might be published shortly.

Miss Alice Tilley, the retiring president, was chairman of the business meeting. Preliminary plans were made for the annual picnic which will be held by the Old Girls this summer as usual. Arrangements were also made for presenting prizes to the pupils of the school at next year's closing exercises. The association decided to subscribe for two English magazines for the school.

The election of officers for the ensuing year resulted as follows: Honorary president, Miss Susan B. Ganong, principal of Netherwood; president, Mrs. F. R. Taylor; vice-president, Mrs. D. V. White; secretary, Miss Marjorie Harding, and treasurer, Miss Muriel Tapley. Those present at the meeting were most hospitably entertained by Mrs. Taylor and the meeting was a pleasant social reunion.

Social Notes of Interest

Very many of the parents and friends of the pupils of Netherwood Girls' School motored from the city yesterday to attend the closing exercises which were carried out most successfully. The many guests were entertained at the school, refreshments being served on the lawn after the close of the exercises and the presentation of the very pleasing program of dances. Miss Susan B. Ganong, principal of the school, received the guests and was assisted by the members of the staff. The members of the Old Girls' Association had charge of the refreshments.

Mrs. Emery Lambert, of Lambertonville, N. B., and sister, Miss Marion Pendleton, of Calais, Me., were the week-end guests of Rev. Mr. and Mrs. W. H. Drury, secretary of the Board

Chief Vaughan, of the fire department, and Fire Marshal McLellan are to be notified.

TWO CASES HEARD. MONCTON, June 15.—Two cases brought by the Althouse company under the illegitimate children's act were heard before Judge Stevens in the city court yesterday morning. Both young men were remanded to furnish bonds. These are the first cases to be tried here under the act passed at the last session of the legislature and which fixes the amount to be paid at \$800 instead of \$200 as formerly.

THE house was beautifully decorated with ferns, potted plants, carnations and sweet peas. The color scheme in the dining room was pink and white and sweet peas were used in their preparation for a most effective decoration scheme. A prettily decorated bride cake centred the table, while pink and white streamers extended from the chandelier and were held by a kewpie above the cake.

The bride and groom are very popular, the bride having been following her profession as a trained nurse for the last five years of the contracting years. The best wishes of a host of friends will follow them through their voyage of life.

LeBlanc-LeBlanc. MONCTON, June 15.—Assumption church was the scene of a very pretty and interesting wedding on Monday morning at 7 o'clock, when Miss Alma Jean, daughter of Mr. and Mrs. J. D. LeBlanc, became the bride of J. D. LeBlanc, son of Mr. and Mrs. S. S. LeBlanc, of this city. Rev. Father Edgar LeBlanc performed the ceremony.

The bride, who was unattended, was given in marriage by her father, and wore an imperial gown of silver gray and small gray hat, with shoes and stockings to match. She carried a beautiful bouquet of roses and lilies of the valley. Messrs. Aurele Goggin and Emery LeBlanc acted as witnesses, and Mr. Rufin Arsenault played special nuptial music.

After the ceremony, a wedding breakfast was served to the immediate relatives and friends of the contracting parties at the home of the bride's parents, St. George street.

Mr. and Mrs. LeBlanc left on the afternoon express on a honeymoon trip to New York and Boston, the bride travelling in an international blue car trimmed with squirrel, with gray hat.

The groom's gift to the bride was a substantial check; the gift of the bride's parents was also a check. The bride's parents were also a check.

Deaths. David Moore. David Moore, a well known resident of Gagetown, Queen's county, passed away at his residence on Saturday morning, after a prolonged illness. His death will be greatly regretted by many friends throughout the province and beyond its borders.

The deceased gentleman was born at Scotchtown, where he lived the greater part of his life, and carried on the work of farming and storekeeping. In 1912 he moved to Gagetown and entered into business with his sons under the name of D. Moore and son. This they conducted with success.

He was highly esteemed on account of his sterling qualities, and earned the reputation of an indefatigable worker. His early removal is regarded as a distinct loss to the community. About a year ago he was stricken with a form of paralysis and, although the best medical skill was used, he gradually succumbed.

Mr. Moore was a loyal and devoted member of the former Methodist Church, first at Scotchtown, and then at Gagetown, and was a faithful worker. He was superintendent of the Sunday school, secretary of the official board for many years and was in office at the time of his death. He was also honored by election as a delegate to the conference for many years in succession, and was a familiar figure among the laymen.

Mr. Moore was married in 1884, to Miss Martha Olmstead, of Scotchtown, who survives him. The following sons and daughters mourn his death: George of Saint John, president and manager of the Canadian Drug Co., Ltd.; Fred A. of Saint John; J. Arthur Moore, M. P. P. of Gagetown; Mrs. James W. Wason, of Sheffield; Mrs. Gordon W. Burke of Gagetown; also the following brothers and sisters: Rev. J. T. Moore of Springfield, Oregon; Rev. A. D. of Illinois; E. K. Moore of Brunswick, Me.; Mrs. Benjamin Clark of Springfield, Mass., and Mrs. Samuel Cody of Saint John.

Mrs. Ella Higgins. Many friends heard with regret of the death of Mrs. Ella Higgins, 184 Metcalfe street, which occurred yesterday in the General Public Hospital after a lengthy illness. Mrs. Higgins was the widow of Edward Higgins, who had died about one year ago. She was widely known throughout the city and very greatly beloved. She was an active member of St. Peter's church, having been the senior prefect of the Holy Family Society, and one of the most faithful and ever willing members of St. Elizabeth's Society. Her good works and her kind acts won for her very many friends. Sincere sympathy has gone out to the bereaved.

Mrs. Higgins is survived by three daughters and two sons. The daughters are Sister Mary Aquinas, in Moncton; Miss Ella Higgins, of the teaching staff of St. Vincent's boys school in the city; and Miss Carol Higgins at home. The sons are Dr. J. Kerr Higgins, of this city, and James Higgins in the United States.

The funeral will take place on Wednesday morning from her late residence at 840 to St. Peter's church for requiem high mass.

Major R. J. Christie. E. A. Mason, manager of the local office of the Christie, Brown & Co. Ltd., received a wire over the weekend, to the effect that Major R. J. Christie, president of the company, had passed away Saturday at his home in Toronto. The late Major Christie was well known here and his many friends will mourn his demise. He was an ardent golfer and often visited St. Andrews to enjoy recreation there.

The late Major Christie leaves a wife and four children to mourn. The funeral will be held this afternoon at Toronto. Out of respect to his memory, the local office will be closed this afternoon.

Arthur Smith. YARMOUTH, June 14.—The death took place at Port Maitland yesterday of Arthur W. Smith. He had for a day or so been ailing from a slight cold but at an early hour yesterday

morning he was stricken suddenly with an affection of the heart and passed away.

Mr. Smith was 61 years of age and was a native of Shelburne county, but moved to Port Maitland several years ago and has since been actively engaged in the fisheries at that place. He is survived by his widow and one son. The funeral will take place on Wednesday afternoon and will be under the auspices of Orion Lodge, I. O. O. F., of which organization he was a past grand.

Closing At Miss A. Rainnie's School. The summer closing exercises at Miss Alice Rainnie's private school, 58 Sewell street, held on Friday morning were very pleasing and most successful. The scholars took part in an interesting program, acquitting themselves splendidly reflecting much credit on their teachers. Besides the recitations and readings by individual pupils there were special numbers in the program which included a dialogue, "Our Local History," which had been arranged and was given by Charlotte Foster, Constance Mullin and Margaret Crowfoot, and a dialogue, "Golden Keys," given by Barbara Harper, Patricia Jones, Kathryn Beyer, John Blanchard, Laurence Heine and John Robinson. The pupils who received "Morning Glory" cards for best recitation in their respective grades were as follows: Charlotte Foster, in grade IV; Barbara Crowfoot, in grade III; Kathryn Beyer, in grade II; and Patricia Jones, in grade I.

Ven. Archdeacon Dr. A. H. Crowfoot gave the address to the children in which he incorporated much wise advice. The young people followed his words with close attention and appreciation.

TO WED IN NEW YORK. Miss Edna Delaney of Milford, left last evening for New York, where her marriage to Frederick McManus, formerly of Saint John, will take place in the near future.

TO ATTEND HEARING. MONCTON, June 15.—Mayor Ambrose Wheeler and Ald. Cormier left last night for Saint John where they will attend the sitting of the Brunswick Utilities Board in connection with the electric rate for the city of Moncton.

PLAN MEMORIAL TO LATE GEORGE HAM. The New Brunswick branch of the Canadian Women's Press Association at its meeting yesterday afternoon at the residence of Mrs. Margaret Lawrence, the president, heartily endorsed the suggestion of the national branch of the organization that the association should undertake some form of memorial to the late Col. George Ham who had always been a firm friend of the organization.

It has been suggested that the association should make a gift of some kind to the little church where Col. Ham has been buried, the church of which he was a constant benefactor during his life. Instructions were given to the delegates of the branch with reference to voting at the annual meeting of the National association to be held in Toronto on June 21, 22, 23 and 24. Miss Florence Anslow, of Windsor, N. S., who is a correspondent of Saint John papers, and has her membership in the New Brunswick branch, will attend the national meeting and Mrs. Lawrence also hopes to be present. None of the other members expected to attend.

Miss Louise MacDonald, national treasurer, wrote acknowledging the receipt of \$10 from the New Brunswick branch as a contribution to the relief fund of the association and stated that this sum had been most welcome and had been the first received this year.

Mrs. Lawrence reported that roses had been sent to the national president, Miss Lucy Doyle, of Toronto, and Mrs. O. C. Pease, of Toronto, editor of Echoes, when they were leaving Saint John after attending the annual convention of the National Chapter of the I. O. O. F. in this city.

CAR STOLEN. MONCTON, June 15.—A. D. Legere of Memramouc had a Grey Ford touring car, black in color, stolen from his barn on the farm where he resides at about 9 p.m. last night. A neighbor saw two men take the car out of the barn. Mr. Legere was not at home when the theft occurred. The police were notified.

This Element

Burned Night and Day Continuously for over Two Years

FOR 16,000 hours—about two years—a Hotpoint Calrod (Sheathed Wire) Element was continuously operated, night and day, in a test to determine its life. Long after all the other types of elements had failed, the Calrod Element showed no indication of burning out.

This exacting test is equal to at least twelve years of ordinary domestic use. No wonder the Calrod Element is called "indestructible".

The Calrod Element is not only longer-lived, but is also more efficient as a heating unit. The cast iron construction holds the heat which, in open-type elements, is dissipated into the air. This element is perfectly smooth and flush with the top of the range, easily cleaned, having no cracks or crevices for the accumulation of grease or dirt.

The Hotpoint Calrod Element is a patented feature. It is found only on the Hotpoint Range.
