FIRST SUCCESS

Before a Packed House at the Imperial - A Bright Show Teeming With

For two hours and a half last night the Dumbells put an intensive barrage of music and fun across the footlights to a packed house at the Imperial Theatre and it is safe to say that, like the gun of Jimmy Goode, all that were not killed with mirth were taken captive by the charm of the "female" portion of the east. The success scored by the soldieractors in their initial appearance before a St. John audience this summer was more thand uplicated last night.

With the exception of two of the favorites of the original productions, last night's show was entirely new. By the urgent request of his friends, Red Newman repeated his howling success, "Oh, Oh, Oh, I's a Lovely War," with ell the trimmings and he got even a more hearty reception than on his former appearance. The screamingly funny satirical skit, "The Duchess Entertains," was again used to close the show, and the house rocked with laugnter at the anties of the blue uniformed hospital cases.

The show opened with a spectacular of the blue uniformed hospital cases.

The show opened with a spectacular front line piece during which Fred Fenwick and the company sang "Good-bye Khaki." In the rendition of "The Girls Are Lovely By The Sea," Jack McLaren introduced a quaint variety of bathing girls who might cause even Mark Sennet some concern as to his reputation. Jimmy Goode was heard in two excellent colored comedy monologues, while Albert Plunkett, of 'Wild, Wild Women' fame put over two good solos, "Where Do the Flies Go?' 'and "Texas decrease of more than \$3,000,000 from the previous year.

Little Pimples
That Come On The Face
Are Caused By Bad Blood

Many an otherwise beautiful and attractive face is sadly marred by the unsightly pimples and various other skin trobules caused wholly by bad blood.

Many a cheek and brow cast in the mould of beauty have been sadly defaced, their attractiveness lost, and the possessor of the "pimply face" rendered unhappy for years.

Their presence is a source of embarrassment to tifose afflicted as well as pain and regret to their friends.

There is an effectual remedy for these facial defects and that is Burdock Blood Bitters, the old reliable medicine that has been on the market for over 40 years.

life these days soon tells on the strongest system, shatters the nerves
and weakens the heart.

Thousands are finding life a burden and others an early grave. The strain on the system causes palpitation of the heart, nervous prostration, sleeplessness, faint and dizzy spells.

Milburn's Heart and Nerve Pills have helped hundreds just in such a condition by making rich new blood, strengthening and regulating the heart, renewing the nerve centres and infusing new life and energy into the system.

This remedy builds up and maintains a healthy, vigorous constitution, according to the testimony of hundreds who have used them.

Mr. Alfred Arsenault, Lot No. 6, P.E.I., writes:—"I was very nervous and run-down, and was so bad I could not sleep at night. I used two boxes of Milburn's Heart and Nerve Pills, and I was relieved. That was one year ago, and I have been well ever since."

Beware of gum tenderness that warns of Pyorrhea. Four out of five peeple over forty have Pyorrhea—many under forty also. Lossening teeth indicate Pyorrhea. Bleeding gums, too. Remember—these inflamed, bleeding gums act as so many doorways for disease germs to enter the system—infecting the joints or tonsils—or causing other ailments.

Forhan's positively prevents Pyorrhea, if used in time and used consistently. As it hardens the gums the teeth become firmer.

Brush your teeth with Forhan's. It cleans the teeth scientifically—keeps them white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithiawater drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
