He was ordained in 1873 and before coming to Halifax as minister of St. Matthew's church was assistant at St. Paul's church, Montreal.

From 1890 until a few weeks ago when age forced him to give up the principalship, the Ladies' College flourished under the firm yet gentle rule of "Daddy" Laing, as he was familiarly and affectionately called by his students, and hundreds of young Canadian women received their education at the institution.

AN OVERBURDENED MOTHER

If the steps a mother takes and the work she does could only be measured by figures, what an array they would make. Through girlhood, wifehood and motherhood woman toils on, often suffering from backache, nervousness and sleeplessness, symptoms of mere serious ailments peculiar to her sex. Thousands of such women, however, have found relief from suffering by taking Lydia E. Pinkham's Vegetable Compound, as is evidenced by the letters of recommendations continually being published in this paper.

FREE KINDERGARTENS WANT DAYLIGHT TIME

The Free Kindergarten Association has declared itself strongly in favor of daylight saving time considering its adoption in the schools to be essential to the convenience of the mothers of children attending them. The monthly meeting at which this declaration was made was held yesterday afternoon with Mrs. T. N. Vincent, the president, in the chair, and was a most satisfactory one with regard to the various reports submitted.

The reports of the kindergartens were given, telling of the topics used by them during the month of April. The topics dealt with the awakening of spring, the work of the agents sun, wind and rain and with Easter thoughts full of stirring suggestions. The pretty stories and songs that accompanied the topics in the kindergarten classes were also referred to. Reports of the mothers' meetings and the story telling hour were specially gratifying. So popular are the story-telling hours held on Saturday morning that there were no less than ninety-eight children eager and delighted listeners to the stories told on last Saturday at the Marsh Road kindergarten. Following the reading of the reports it was announced that a donation of \$100 had been received by the association from the Commercial Travelers, which donation was acknowledged with most hearty thanks.

PUBLIC MEETING ON PEACE CELEBRATION

How is St. John to observe Peace Day?
That is the question which was placed before the members of the common council and the citizens of St. John yesterday by Mayor Hayes.

"Shall it be observed by religious services or by a demonstrative celebration?" is the way his worship put the question to the council. "Shall we observe the day with special church services and leave the big demonstration until the boys come home?" he continued.

None of the commissioners was in a position to discuss the matter, so Commissioner Bullock suggested that the mayor call a special meeting for the purpose of looking into it.

Upon the adoption of this, his worship named as the hour 2 o'clock, standard time, Thursday, when the commissioners and interested citizens will meet in his office and offer suggestions. His worship pointed out that prompt action was necessary as it might only be in the course of a few days before peace was signed. He repeated that other cities throughout Canada were taking the matter up, but there was no indication yet of federal action.

In this important meeting early Thursday afternoon it was decided to hold Thursday's committee meeting at 10.30 a.m. standard time, instead of 11.30 o'clock.

POLICE COURT CASES

YESTERDAY AFTERNOON

A Houlton, Maine, man who is a truck driver, pleaded guilty to drinking liquor in public. He was arrested while in company with a young woman in a Chinese restaurant. He said he obtained liquor on a prescription from a physician who is charged with illegally granting the prescription. The soldier was fined and turned over to the custody of the military authorities. The case against the physician will be heard in court today. Chief Inspector Wilson was in court both morning and afternoon.

In the morning Matthew Ramsay was charged with supplying liquor to Howard Robinson on April 16. The latter denied on the stand that he had ever seen Ramsay and the case was continued until Friday. Robinson is charged with having liquor in the Prince Albert hotel. This case also went over until Friday.

Arthur Dickson, of McAdam, and James Ryle, of Ontario, were charged with coming to Canada as stowaways on the steamship Grampian. The men said they were soldiers, and desired to return home. Judge Ritchie took their cases under consideration. Five other prisoners were each fined \$8 for being drunk.

HAMPTON MAN WELCOMED

Gunner Harold Dickson-Ott, younger son of Mrs. G. O. Dickson-Ott, of Wick soldiers who returned to Canada on board the steamer Olympic and was given a rousing welcome on his arrival at his home in Hampton yesterday. Gunner Dickson-Ott enlisted in November of 1914 in the 23rd Battery at Fredericton where he was at that time a student in the University of New Brunswick. He crossed to England in February, 1915, and after only one month of training there was sent to

France in March as a member of the 6th Field Battery. With only two short periods of leave he has been through the heaviest of the fighting and has come through all without once being wounded. The record of his family in the war is one that is worthy of the highest honor, as three brothers enlisted and he is one of two that will return. His brother, Lieutenant Cordland Dickson-Ott, who enlisted in the same battery at Fredericton and received his commission about a year ago is still in England and is

expected to return to Canada with the 2nd Brigade. The third brother, Lieutenant George Dickson-Ott, of the 5th Canadian Mounted Rifles, was killed in action in June, 1916.
