

our work—the sending aid to the heathen of our own country—is nowise abating.

Our Thank-offering Service was held in November. To those present it was enjoyable and profitable; the offering amounting to \$31.37. We feel we cannot close this report without referring to the great sorrow that has come to our President, Mrs. Murray, in the removal by death of our dear pastor. We extend to her our sincere sympathy, and pray that the God of all consolation may comfort her in this time of trial. May we, all of us, solemnly realize our responsibility, and “Work while it is called to-day, for the night cometh when no one can work.”
