

CLOSING DAY OF THE CELEBRATION

LACROSSE, BASEBALL AND RACES ON ARM

Vancouver Seniors Won In National
Game Before Big Crowd—Regatta
at the Gorge.

(From Wednesday's Daily.)

The Victoria Day celebration belongs to history. Most of the holiday makers have returned to their homes after some, worn out by their exertions in sight-seeing, are remaining here, until today. All appeared pleased with the entertainment provided, a well-arranged programme of attractions keeping them on the move from start to finish. The largest throng of outsiders in many years took in the festivities, the transportation companies having had their hands full in conveying them here, while the accommodation of the hotels was taxed to the utmost capacity. In future years this very important requisite should receive attention so that in the event of a number increasing there should be no difficulty in housing the visitors.

The weather again did its part nobly. The article he handed out could not be said to be a good one, despite the discrepancy in the scores, the local lads winning by nine goals to two. This victory somewhat compensated for the earlier defeat for the defence which followed in the senior match. The latter match went to Vancouver almost with ease, much to the surprise of local adherents, who thought their organization invincible.

In the afternoon there were three attractions, the baseball match between the Victoria and University of Washington nines, in which the locals were the victors, the regatta at the Gorge and a lacrosse game between the Vancouver Monarchs and the Y. M. C. A. twelve. Last night a grand old-fashioned fireworks display at Beacon Hill. Previous to the exhibition the City band rendered a programme in good style. The "Made in Canada" fair, which was opened on Monday afternoon, attracted a large throng at the opening and in the evening. Visitors are loud in their praises of the interior arrangement of the hall and the excellence of the goods shown.

VISITORS' SUCCESS.

The Trap Shooting Prizes Very Largely
Went to the Seattle Team.

Seattle shots carried off in large part the prizes awarded for trap shooting in Monday's events. The first part of the programme was published in Monday's Times. In the four men team shoot Seattle won first, with a score of 85 with Victoria's two teams following with scores of 75 and 73 respectively. The twenty single trap known traps, unknown angles, Wm. Stewart, of Seattle, took first place with 10 out of 20. E. Ellis, of Seattle, and J. McLaughlin, of Seattle, tied for second place with scores of 18. Dr. Steele, of Seattle, and Otto Weller, of Victoria, tied for third place with 17 birds. In the twenty singles, with ten unknown angles, known traps; ten unknown angles, reverse traps using both barrels, the local men did better. Otto Weller, C. W. Minor, of Victoria, won second with 16, and E. Ellis took third place with 15.

The grand average gave the Seattle shot good positions. E. Ellis took first place, Dr. Steele second, and J. McLaughlin and Wm. Stuart third place. The consolation match for shooters who had shot in the events, but who had not won any money, was won by R. Jackson with 14 out of 15.

BICYCLE PARADE.

There Were But Few Entries In This Event.

It can hardly be said that the bicycle parade was a conspicuous success. There were but few entries, and although the display, as produced, a very creditable one, the meagreness of the turn-out caused marked disappointment. It is a great pity that owners of wheels did not manifest the same interest in this event as those who had bicycles. It is a pity that the parade ended at the parliament buildings, where the judges, Mr. Symington, R. H. Swinerton and R. Jackson awarded the prizes. Herbert Case, of 77 Discovery street, won first for the best decorated wheel with the design of a boat; Jacob Aaronson won the prize for the best costume wheel, an old-fashioned high roller, while Harry Rogers was highly recommended for a design consisting of four bicycles.

LACROSSE GAMES.

Vancouver Won the Senior—Results of Junior Events.

The crowd that gathered at the Coliseum grounds yesterday to witness the Victoria and Vancouver teams in the largest of the largest on record. Over three thousand people being in attendance. From the start the game was full of excitement, and although the result was a distinct disappointment to the Victorians, the score, 7 goals to 2 in favor of the Terminal City team, gives a good idea of the character of the contest. At

no time did the locals have the slightest chance of winning against the superior team work of their opponents.

Vancouver's defeat was due to a total lack of effective team work. In one department particularly Victoria was very weak, and that was in the home. Williams, who was playing inside, was utterly useless for the first two quarters and although in the second half he picked up somewhat, in stick handling, his running and staying powers were not equal to the demand on them. It would be unjust perhaps to criticize the playing of O'Brien—one of the new home men—as that player was not on the field long enough to show his ability. Unfortunately he was badly hurt in the second quarter and, though he was on in the third portion of the match, he took no active part in the playing. While on his legs, however, O'Brien showed some speed, and made several dashes on goals that were within an ace of being successful. Sandy Gowan was decidedly off color. He persisted in passing the ball directly into the sticks of the opposing players. The best of the locals in the home were F. White and H. Jesse.

Another disappointment was the ineffectual defence work of the local team. On paper it looked as if that part of the aggregation would be exceptionally strong. Messrs. Cullin, Oatman, Beltry, McCorvie and Dewar are the names of the players who were supposed to be looking after the defence of the local goal, and the score shows how well they succeeded. Of these men Dewar, Cullin and McCorvie were most in evidence.

Vancouver has as smart a twelve as could be desired. They are all young players and their playing yesterday showed the effects of careful training and some effective coaching. Their passing was a feature of the game, and the way they carried the ball down the field cut across from one player to another just as they avoid the victim's cleat. From a Victoria player was an exhibition that delighted all enthusiasts and drew cheers from the grand stand. In their defence the Terminal City team adopted tactics similar to those of Westminster. As soon as their goal was threatened the players gathered about the flag, and the Victoria's endeavored to reach the net.

The opposing aggregations lined up at about 10.30 o'clock. Those Hooper, president of the local association, facing off the ball. Vancouver obtained possession and carried it down to Victoria's goal by brilliant combination. They were blocked, however, in splendid style, and returned immediately and Gowan sent the ball into the net for the first time amidst the cheers of supporters of the visiting team.

Victoria took a hand in the attacking after the face-off, and Frank Smith made an ineffective attempt to score. From this the ball travelled around the goal and back to the other side, but without result. It was then taken down the field, and it wasn't long before Matheson again scored for the visitors.

There was another opportunity for the locals to score about this time, but the shooting was poor, and the Vancouver defence had no difficulty in relieving. The ball was then taken towards Victoria's goal, and Gowan scored again. This was followed by an interval during which neither side gained any material advantage. Finally, however, Coo made the ball and the goal, and the game had taken Cullin's place in goal. After some further playing, Godfrey scored once more.

This was followed by the same style of playing. As the game progressed the local team settled down better, pressing the visitors severely in the last quarter.

The detailed score follows:
Vancouver—Scored by Gowan in 30 seconds.

Vancouver—Scored by Matheson (G.) in 2 minutes.

Vancouver—Scored by Godfrey in 6 minutes.

Vancouver—Scored by Matheson (G.) in 8 minutes.

Victoria—Scored by F. Smith in 20 minutes.

Vancouver—Scored by Cameron in 5 1/2 minutes.

Victoria—Scored by White in 3 minutes.

Vancouver—Scored by Alan in 3 minutes.

Vancouver—Scored by Knight in 2 minutes.

Centrals, 9; Argonauts, 2.—This was the result of the game played between the Victoria and Vancouver junior teams yesterday morning at the Coliseum grounds. The visitors had no chance whatever against the splendid combination of the Victoria and Vancouver teams, and all round the work of the local twelve, defence and offence, the home team played together splendidly. Whenever the Terminal City boys attempted to get the ball, the Victoria home was also fast and continually puzzled the visiting aggregation.

The match played yesterday afternoon between the Y. M. C. A. and Monarch junior teams at the Coliseum grounds resulted in a victory for the latter aggregation by a score of 4 goals to 1. The Monarch team, which is composed of Vancouver players, displayed better combination and more accurate ability than the local twelve. In spite of this the match was closely contested and the Y. M. C. A. boys put up a plucky fight. It is expected that they will play the Monarchs again at Vancouver on the 1st of June, and in the meantime they will try to assist in order to be prepared to turn the tables.

BASEBALL MATCHES.

Victoria Downed the University of
Washington Team in Two Games.

The first game on Monday between the Victoria and University of Washington nines was one of the best ever played on the Oak Bay diamond. A record crowd was in attendance, and the utmost enthusiasm prevailed. The Victorians won by five runs to two, and both teams in the game committed the fine straight character of the game. True three errors out of the four made were charged up to the boys in maroon, but they were not enough to compensate for the uniformly good play.

Emerson pitched in fine fashion for the locals. The variety only got four hits of him, while Victoria ran up thirteen runs. The local pitcher, the visitor's pitcher, the local's new catcher, covered himself with glory, banging out two and three-beggars with an abandon that

astonished the visitors. The summary follows:

Washington University.

Victoria was again victorious yesterday in the second game with the University of Washington boys. The game, although closely contested throughout, was an exceedingly ragged exhibition of ball. It was won in the last inning by the home team by a score of 13 runs to 11. There was a large crowd in attendance, and when the local nine, who were behind until the last inning, made a sufficient number of runs to put them in the lead just as the clock struck the hour, the enthusiasm of the fans knew no bounds. The Victoria team were cheered, and Manager Willie gave expression to his belief that the Terminal City team would win by a continued ringing of the score bell.

Play commenced shortly after 3 o'clock, the visitors going to bat first. They retired without any score, evidently finding some difficulty in locating Blackburn's batters. When Victoria came in the scoring account was opened. Schwengers started by getting to first base, and Burns, second, followed him, and then rose to the occasion by making a hot right, which scored the base-runners. The bluejeans were out in force as the clock struck four, and the crowd for the jacks, and they never fail to extract every essence of fun from it. Their stalwart outsmen were bluffed of the mound, and the crowd, who were those who thought that custom had made them impregnable to such impressions.

The bluejeans were out in force as the clock struck four, and the crowd for the jacks, and they never fail to extract every essence of fun from it. Their stalwart outsmen were bluffed of the mound, and the crowd, who were those who thought that custom had made them impregnable to such impressions.

In the second inning the score was 1-0 in favor of the home team. The crowd was first to first on a tip and was allowed to score later on by a poor throw to third by Tredway. The locals went out in the third, and Burns, second, followed him, and then rose to the occasion by making a hot right, which scored the base-runners. The bluejeans were out in force as the clock struck four, and the crowd for the jacks, and they never fail to extract every essence of fun from it. Their stalwart outsmen were bluffed of the mound, and the crowd, who were those who thought that custom had made them impregnable to such impressions.

Nothing of importance occurred in the fourth inning, but in the fifth, the home team had streak of batting and good luck which augmented the score by seven runs. Emerson bunted and overrunning the first cornered between Burns and second, but managed by clever sprint to reach the latter base safely. Blackburn got first on a foul and McConnell made a first-class hit past third, scoring Emerson. Burns, second, followed him, and then rose to the occasion by making a hot right, which scored the base-runners. The bluejeans were out in force as the clock struck four, and the crowd for the jacks, and they never fail to extract every essence of fun from it. Their stalwart outsmen were bluffed of the mound, and the crowd, who were those who thought that custom had made them impregnable to such impressions.

This was followed by the same style of playing. As the game progressed the local team settled down better, pressing the visitors severely in the last quarter. The detailed score follows:
Vancouver—Scored by Gowan in 30 seconds.

Vancouver—Scored by Matheson (G.) in 2 minutes.

Vancouver—Scored by Godfrey in 6 minutes.

Vancouver—Scored by Matheson (G.) in 8 minutes.

Victoria—Scored by F. Smith in 20 minutes.

Vancouver—Scored by Cameron in 5 1/2 minutes.

Victoria—Scored by White in 3 minutes.

Vancouver—Scored by Alan in 3 minutes.

Vancouver—Scored by Knight in 2 minutes.

Centrals, 9; Argonauts, 2.—This was the result of the game played between the Victoria and Vancouver junior teams yesterday morning at the Coliseum grounds. The visitors had no chance whatever against the splendid combination of the Victoria and Vancouver teams, and all round the work of the local twelve, defence and offence, the home team played together splendidly. Whenever the Terminal City boys attempted to get the ball, the Victoria home was also fast and continually puzzled the visiting aggregation.

The match played yesterday afternoon between the Y. M. C. A. and Monarch junior teams at the Coliseum grounds resulted in a victory for the latter aggregation by a score of 4 goals to 1. The Monarch team, which is composed of Vancouver players, displayed better combination and more accurate ability than the local twelve. In spite of this the match was closely contested and the Y. M. C. A. boys put up a plucky fight. It is expected that they will play the Monarchs again at Vancouver on the 1st of June, and in the meantime they will try to assist in order to be prepared to turn the tables.

As can be seen the home team was a couple of runs behind, and when the visitors had retired without scoring in the ninth their only chance was to score three. Tredway, Schwengers and Burns all got bases, and some good batting by those following had the desired result, Victoria winning the closest match of the season.

Blackburn, besides striking out eight men, had six assists to his credit. He fielded his position faultlessly and also scored one run.

Tredway had an off day at first, but made up for his errors with the bat, getting four hits out of five times up. Schwengers had a batting stream on, four safe ones out of five times up being his record with the stick for the day. Erle makes a splendid catcher. However he had his finger split in the first inning he pluckily caught out the game.

A summary of the game follows:

THE REGATTA.

Big Crowd and Exciting Races Contributed to Success of the Event.

Despite the fact that it is an annual event of fifteen or sixteen years' standing the regatta continues to be the prime attraction in Victoria Day celebrations. It is the one big item of the programme on which the attention of visitors is unitedly concentrated for they always look forward to this aquatic carnival with deep interest and expectation. It is safe to say that no place on the coast is a regatta of such magnitude so successfully conducted. There is always keen competition, and those in the immediate vicinity of the races are always of a festive mood, who appreciate the spirit of rivalry which actuates the competitors, are fired by the greatest enthusiasm and excitement.

Aspirous circumstances attended yesterday's regatta. The weather was glorious, the arrangements perfect and every one seemed to have enjoyed the day.

crow was the same one which made such good showing last year by winning the junior championship. It was composed of Van Kuren, bow, and Capt. Dan Pullen, No. 2, Clifton Lantz, No. 3, and Fred McEldown, stroke. This is their first season as seniors. They are a strong crew and acquitted themselves well. The honor of the J. B. A. A. was upheld by the following crew: Wilson, stroke, C. B. Kennedy, P. Dill, bow and W. Jesse, bow.

The Kitchman's race was a very exciting one. Two crews entered, Valdes and Klein Klematis. The course was paddled well together, and the Valdes canoe won only by a slight lead.

After the first of the races distinctive for the navy, namely, the service cutters, the crew from H. M. S. Flora maintained a proud position
