

Compiled 1962, by the SURVEYS AND MAPPING BRANCH,  
DEPARTMENT OF MINES AND TECHNICAL SURVEYS,  
from air photographs taken in 1960. Field surveys 1960 and 1961.  
Printed 1964.

Copies may be obtained from the Map Distribution Office,  
Department of Mines and Technical Surveys, Ottawa.

DISTRICT OF FRANKLIN  
NORTHWEST TERRITORIES

SCALE 1:50,000 ÉCHELLE

Miles 1 ¼ ½ ¼ 0 1 2 3 Miles

The daily change of the North Magnetic Pole renders  
the magnetic compass unreliable in this area. The  
1964 magnetic declination at the centre of this map  
is approximately 161° 20' West.

La variation diurne du pôle Nord magnétique rend le  
compas peu sûr dans cette région. La déclinaison  
magnétique pour 1964 au centre de cette carte est  
approximativement 161° 20' Ouest.

Rédigée en 1962, par la DIRECTION DES LEVÉS ET DE LA  
CARTOGRAPHIE, MINISTÈRE DES MINES ET DES RE-  
LEVÉS TECHNIQUES, d'après des photographies aériennes  
prises en 1960. Levés sur le terrain en 1960 et 1961. Imprimée  
en 1964.

Ces cartes sont en vente au Bureau de distribution des cartes,  
ministère des Mines et des Relevés techniques, Ottawa.
