Christian Church in Canada became plum trees destroyed, we said last week.

Church in Canada, and the Bible Christian Church in Canada became merged in the "Methodist Church" by Act of Parliament. By the consummation of this union, the "Methodist Church" becomes the largest Protestant. Church in the Dominion. Special services commemorative of the cocasion were held in many of the leading Churchs of the denomination through out the land, and special collections taken up.

CHATHAM, May 29th, 1884.

DELITEMENT LAURANCE.

OBLITEMENT LAURANCE.

Inse of the Chatham Branch, This work is under the superintendence of Mr. Archy Alcorn.

The contractors expect to have the fifty term miles, from Chatham Junction to Doyle's Brook graded by the end of July.

There were on the siding in the yard of Mesars James Harris & Co's works St. John, the other day, the other day, then the day and the whole of the st. C. R. standard, wifn 'N. & W. R.Y. MIRAMIOHI '' on their sides. These are expected at Chatham Junction in a day or two. A contract has been made with the same belief more which, we understand, are to be sent to Maryaville to be employed on construction at that end of the read.

Mesars. Brown & Perloy are proparing organization of the Railway Bridge over Barnaby River.

Altogether, the Northern & Western Company is rapidly and effectually gaining the reputation of the most enterprising organization of the kind that has ever been formed in the Province.

The Meritoder Curve,—On Sundaly has been made to the most enterprising organization of the kind that has ever been formed in the Province.

The Meritoder Curve,—On Sundaly has the Methodist Church in Canada, the Epineopal Methodist Church in Canada, the Epineopal Methodist Church in Canada, the Epineopal Methodist Church in Canada, the Printitive Methodist Church in Canada, the Epineopal Methodist Church in Canada, and the Bible Christian Church in Canada, the Epineopal Methodist Church in Canada, who was a contract of the canada contract of more important local saffires and interests on the country through the canada contract of the ca

Cluston on the subject, and submit cial light is prohibited under the penalty provided by the fisheries act."
