

Christian Clergy Reserves by Government may be taken as the first step in the direction of 1863 the principles of the Pope will be effective in this country and in 1875, they will be virtually eradicated from the entire kingdom.

INDIAN INTELLIGENCE. INTERVIEW WITH THE GOVERNOR-GENERAL AND GHOLAB SINGH. It appears that Gholab Singh reached Vizianagur on Dec. 22, attended by between 2,000 and 3,000 of his troops.

THE MINISTERIAL CRISIS. It is singular, but not less singular than true, that whatever country yields to the domination of the Pope, Rome is sure to fall into trouble.

THE NORTH AMERICAN ASSOCIATION. The Association was recently established in Halifax, by a few patriotic gentlemen, for the purpose of developing and making known to the people of the Empire the resources and eligibility of that province as a point for Emigration.

CIVIC ELECTIONS.

Tuesday last being the day appointed by Charter for the Election of Civic Officers, the inhabitants of the City repaired at the respective polling places to exercise their franchise.

WOODEN RAILROADS.

We again refer to this subject, as being all important to this Province at this particular juncture. It must be evident to our business men, that under existing circumstances, there is no improvement in which our people could so profitably and advantageously engage, as the making of a cheap RAIL ROAD.
