THIRD DIVISION ST PETERS
MEDICAL
LIFE INSURANCE COMPANY
OF LONDON,
ESTABLISHED IN 1836.

At the Third Quinquennial Meeting of this Company, held in London, on the 1st day of February, 1851, the Directors presented their Report, which was unanimously adopted by the Meeting, and ordered to be published for the information of the Members and the Public, from which it appears that the Number of Policies issued during the last five years, was 2,222, assuring the sum of £222,000 sterling, producing a Premium Income of £8,000 per annum. The Number of Policies in force on 31st December, 1850, was 4,000, assuring £400,000 sterling, producing £16,000 per annum. The Number of Claims by Death during the last five years was 200, assuring £20,000, and producing £800 per annum. The Number of Policies which have become void during the last five years was 1,000, assuring £100,000, and producing £4,000 per annum. The Number of Policies which have been surrendered during the last five years was 500, assuring £50,000, and producing £2,000 per annum. The Number of Policies which have been transferred during the last five years was 300, assuring £30,000, and producing £1,200 per annum. The Number of Policies which have been renewed during the last five years was 1,000, assuring £100,000, and producing £4,000 per annum. The Number of Policies which have been lapsed during the last five years was 1,000, assuring £100,000, and producing £4,000 per annum. The Number of Policies which have been forfeited during the last five years was 500, assuring £50,000, and producing £2,000 per annum. The Number of Policies which have been paid during the last five years was 200, assuring £20,000, and producing £800 per annum. The Number of Policies which have been paid during the last five years was 200, assuring £20,000, and producing £800 per annum.

The reduction of Premium amounts to 20 per cent, on the Premium paid during the last five years.

The remaining Bonus amounts to 80 per cent, on the Premiums received during the last five years, or 40 per cent. on the annual Amount.

Those that Policies which have been in force for five years in this Society, the reversionary Bonus averages 2 1-2 per cent. per annum, or fifty per cent. upon the sum assured, a result which the Directors believe unequalled, and will bear comparison with that of any Office.

The following Table illustrates the Bonuses declared:

Division.	Amount of Assurance.	Amount of Reversionary Bonus.
1st Division—	1842	12,500 per cent. 25 per cent
2d "	1847	21,250 " 42½ "
3d "	1852	25,000 " 50 "

On the 31st December last, the Existing Assurances were £1,000,443 16 2
The Capital Funds of the Company

Invested were	£39,363 15 6
The Annual Income was	47,721 1 8
The Divisible Surplus was	32,000 0 0

The Directors consider, and I trust the Policy holders will agree with them, that the position of the Company is highly satisfactory, and hope that, taking into account the continually increasing competition they have to encounter, the progress of the Company has equalled their expectation, as the benefits actually realized equal, and in most cases surpass, those afforded by the largest established Offices.

Here is your Remedy!
HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 23 YEARS' SUFFERING.

Extract of a Letter from Mr. Wm. Gatch, of 70 Old Market-street, Weymouth, dated May 18, 1851.

To Professor Holloway.

Sir,—At the age of 16 my wife (who is now 41) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distressing, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scars or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 23 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.

(Signed) WILLIAM GATCH.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OR VARICOSE VEINS STANDING.

Copy of a Letter from Mr. William Ashe, Builder of Gas Works, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor Holloway.

Sir,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. F. England Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Punshurst, Kent, dated December 13th, 1850.

To Professor Holloway.

Dear Sir,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newborough, near Hexham, dated May 15th, 1850.

To Professor Holloway.

Sir,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a-day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter M. Francis Arnot, of Broadhouse, Lothian Road, Edinbro', dated April 29th, 1851.

To Professor Holloway.

Sir,—For more than twenty years my wife has been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Chiego-foot	Fistulas	
Bad Breasts	Chilblains	Gout	
Burns	Chapped hands	Glandular Swelling	
Bunions	Corns (Soft)	Lumbago

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newborough, near Hexham, dated May 15th, 1850.

To Professor Holloway.

Sir,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a-day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter M. Francis Arnot, of Broadhouse, Lothian Road, Edinbro', dated April 29th, 1851.

To Professor Holloway.

Sir,—For more than twenty years my wife has been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.

The Pills should be used conjointly with the Ointment in most of the following cases:—
