

*The matter which this page contains is... carefully selected from various sources...

GATHERED LILIES.

"My beloved is gone down into his garden... to gather lilies."—Cant. vi. 2. Beautiful flowers, in wreath and bouquet...

THE HOME.

The Kind Word. It seems like the foolish repetition of words so often spoken to recall the value of the word of encouragement.

THE FARM.

Mad Road County Experience. The construction of one of a complete and thorough system of county roads for a county or several contiguous counties...

PRESERVES AND MARMALADE.

Delicious Things Made of Oranges. Requests for directions for making orange preserves and marmalade are cheerfully answered as follows: The orange is seldom thought of as a preserving fruit...

of oranges. Add a cup of clear orange juice to every pound on sugar. Boil the oranges slowly in this syrup...

The diet has such a decided effect upon the complexion that I wonder that more attention is not paid to it. Fat, breads, and highly seasoned dishes...

At this time of year it is pertinent to discuss different methods of hatching and rearing chickens. The sitting hen should have an apartment directly upon the kind of treatment the young chicks receive.

Preserving the Grain of Butter. The methods of growing and bleaching celery, have been revolutionized within the past few years.

Wheat for Poultry. Wheat is an excellent food for hens, and especially for young chicks. But for chicks it is best to crush the grain...

THE PUBLIC SCHOOL.—I made a mistake in getting the Public School Grammar (25c) so I best get out of a bad bargain as I will get one—sell what I have left for 10c each.

SNELL'S ACTUAL BUSINESS and SHORTHAND COLLEGE. TRURO, N. S. Unlike the Dutch Process No Alkalies—Other Chemicals are used in the preparation of W. BAKER & CO.'S Breakfast Cocoa.

Home of the Ostrich. Southern Africa contains a sufficient number of large ostrich farms to keep the whole world supplied with feathers. The ostrich farming commenced in California...

Byaks are of mixed shades, and the male plumage surpasses the female. The value of a feather becomes lesser or greater after cleaning it with white Castile soap...

Dry Food for Chicks. Dough is objectionable as food for young chickens for two reasons. First, it contains too much water and the chicks are thus forced to swallow more water in their food than they otherwise would.

Hatching and Rearing Chickens. At this time of year it is pertinent to discuss different methods of hatching and rearing chickens. The sitting hen should have an apartment directly upon the kind of treatment the young chicks receive.

Preserving the Grain of Butter. The methods of growing and bleaching celery, have been revolutionized within the past few years. We no longer plant in a trench...

Wheat for Poultry. Wheat is an excellent food for hens, and especially for young chicks. But for chicks it is best to crush the grain, not to grind it...
