The president, manager and all members of the exhibition association will be present next Wednesday to explain the new facilities, etc.

WITH THE MARITIME Y. M. C. A. BOYS IN SUMMER CAMP

Interesting News Budget from Boys Under Canvas.

Sixty-Three Lads are Having a Glorious Vacation Living Close to Nature at Robertson's Point.

One of the Y. M. C. A. boys, new under canvas with the members of section I. of the Maritime Boys' Camp at Robertson's Point, sends the following interesting account of camp life to The Standard:—

Section I. of the Maritime Boys' Camp is now in full swing at Robertson's Point, Grand Lake, and everything points to it being one of the most successful and well-conducted since its inception.

The number of campers this year is 62. These are housed in nine good sized tents, seven in each, with a tent leader in charge. The director of the camp is Rev. G. A. Lawson, of Halifax and he is assisted by the tent leaders, A. W. Robb, W. H. Moor, Bruce Malcolm, M. D., H. A. Lordly, J. Willis Jones all of St. John, and C. C. King of Annapolis, D. S. Brittain, Yarmouth and Royden Barbour, Fredericton.

Good Cooking. The cooking this year is of an exceptionally good class, the cook-house being in charge of Paul Webber of New Glasgow. Mr. Webber is also of great assistance as a base-ball umpire, having at one time played professional ball.

The athletics are in charge of Dr. Bruce Malcolm. Baseball games are enjoyed nearly every afternoon and evening when the weather permits. On Friday last the Nova Scotia team defeated the campers from Woodstock and Fredericton to the tune of 10-8, and on Saturday a game between the St. John team and a picked team from the rest of the camp was called off in the 7th inning on account of rain, with the score 10-8 against St. John, who were just coming to the bat.

The Social Work. The evening social work is under the direction of J. Walter Jones, and so far the meetings have been very enjoyable. Thursday being very wet the boys visited the different tents and became acquainted with each other. Friday evening an interesting talk on first aid was delivered by Dr. Bruce Malcolm, this being eagerly listened to. On both Friday and Saturday songs and instrumental music was rendered by the campers.

The Camp Circus. The custom of having a camp circus has prevailed for many years. Plans are being made this year to hold the celebration on Wednesday evening next. The plans include a slide show in each tent and later all will unite in the grand performance.

"The Beacon," the official organ of the camp is in full flame with H. O. Lordly as editor. It is published daily and each tent contributes to its pages.

The daily routine in camp is as follows: Raising bell, 7 a. m.; morning dip, 7.03 a. m.; breakfast, 7.30; Bible study and prayer; morning swim, 11; dinner, 12.30; swim, 4; supper, 5.30; evening meeting 8; lights out 10 p. m.

The heavy rain on Thursday somewhat upset the camp but the rest of the days have passed very pleasantly except for a few showers.

A Quiet Sunday. Sunday as usual was passed quietly. In the morning Rev. Mr. Lawson delivered an able sermon to the campers and visitors from the neighborhood. The offertory amounting to \$6 is for the Campbellton fire sufferers.

In the afternoon the group Bible study was held and the boys had quiet walks about the Point. In the evening a song service led by W. H. Moor and addressed by A. W. Robb was much enjoyed.

The boys are looking forward with pleasure to the remaining days in camp and everybody is hoping that the weather man will smile pleasantly upon them till camp breaks up on the 17th.

Mr. Coll said it would be taken over by Sept. 1. The architect had promised to have the boilers and other things fixed by that date.

The building committee was authorized to engage a janitor for St. Thomas school.

The report of the teachers' committee was received and adopted.
