Interesting Letter

Jam-Buk's has proved a great comfort to me, as it is now something like two months since it cured my little girl of eye-ache from which she suffered for a year. THIS is but a fragment of a very interesting letter received by the Jam-Buk Co. from Mrs. E. Conant, Joggin Bridge, Digby Co., N.S. The letter continues: "When the sore first broke out I called in a doctor; but his treatment did me good. I tried salves and lotions and, woe of all kinds, but the child's face and shoulders were completely covered with sores. Imagine the pain the poor child (not a year old) had to suffer! "One day a friend advised me to try Jam-Buk. I did not have much faith at that time the Jam-Buk would be able to work a cure, but as there could be no harm in trying it, I obtained a supply. As that time the disease had defied all remedies I had tried for over a year. By the time I had tried one box of Jam-Buk there was a marked improvement. I continued the Jam-Buk and day by day the sores showed signs of improvement, until the sores were confined to the child's shoulders, one sore on each shoulder particularly deep. By degrees this, also, was healed, and finally Jam-Buk healed every trace of the disease. "I have waited several months before mentioning this case to you, in order to see if there was any return of the sores. There has not been any return; and there is no more trace of the disease from which the child suffered so long. You may publish this information if you wish, so that every mother may know the value of Jam-Buk. "Jam-Buk is just as good for cold sores, chapped hands, piles, blood-poison, ulcers, bad leg, varicose ulcers, scabs, sores, frost bite, baby's chafed places, etc. Also as an embrocation for rheumatism, sprains, etc. All Druggists and Stores, 50c box or Jam-Buk Co., Toronto, for price list.

THE ONLY CURE FOR PILES. Writes Mr. Taylor in Telling His Experience With Dr. Chase's Ointment.

Because Dr. Chase's Ointment brings almost immediate relief from the dreadful itching, burning, stinging sensations of piles, it is well worth the attention of everyone suffering from this annoying disease. In most cases, even after years of standing, Dr. Chase's Ointment makes a thorough and lasting cure of them. Mr. Maxwell Taylor, Charlotteville, N. B., writes: "To all sufferers from Dr. Chase's Ointment, which made me free of two boxes I would recommend it. I went to a doctor, who gave me some ointment, which made me no better. A friend advised the use of Dr. Chase's Ointment, and by the use of two boxes I was entirely cured. You may publish this statement in order that other sufferers may profit by my experience."
