BUSINESS NOTICE. THE TRIBUNE Counting Room southern half of the Office of Mr

Room before 11 A. M.

The Daily Tribune.

ST. JOHN, N. B., MARCH 28, 1872.

Good Friday.

To-morrow the Banks and Public Offices will be closed, and the day observed as a suppress Napier and others of that ilk, and General Holiday. No newspapers (THE save the public money by energetically TRIBUNE included) will be issued.

No Danger of a War!

The Government of Queen Victoria that rules an Empire on which the Sun never sets,-whose drum beat, as Mr. Seward says, follows the course of that luminary around the globe, -is given the power to appropriate any of the lands of its subjects for Imperial purposes, ample indemnity articles. We take no particular interest being, of course, provided, after taking possession. The Government of the Parish of Portland, which is not half as powerful at that of the British Empire. has asked in the candidates but the rate payers whom we desire to arouse to a proper wigilance and a due regard for their own in the candidates. as that of the British Empire, has asked for legislation to enable it to appropriate It is well enough to put the electors on owners' consent, and devote the same to jeopardized, but we had thought what public uses in the Government's discrethe Freeman desired was to put the candi warlike preparations. If such fears are to point out. entertained by the far-sighted Government | On another subject the Freeman does of Portland, they do not appear to be cast some light, when it says :shared by the subjects of that Government. THE TRIBUNE is mistaken in se vulsion. Every thing is quiet, they say, authority of law, too. in St. John, Lancaster, Simonds, Partridge It is news to us, and will be to rate

eyes and ascertaining the cause of all the not so often. everything their own way up to election usual predence, and are not adopting any Ontario constituencies. The next three months will witness a most determined struggle for political power in the Dominion-the first hearty and general contest

since Confederation.

been promised by private members, if fully Room is the dealt with will consume four or five weeks f Mr. George more of time, and spin the Session out to Philps, Broker, Prince William street. It is centrally situated, being near the City Hall, the Banks, News Room, Express Office, Chubb's Corner and the Ferry landing. Advertisements for the TRIBUNE should be left at the Counting Room before 11. subject of the large surplus which he figured out on Monday,-he a delegate to Ottawa to secure Better Terms! Our re venue is scant enough at the best, and an extra long Session simply takes from the people a sum of money that could be better spent on public improvements. The Assemblymen will do well to set themselves resolutely to work, eschew buncombe
