WM. CROWE, Esq., Halifax.

The history of the ONTARIO MUTUAL LIFE has been from the beginning of the Company up to the present time, a record of success, alike creditable to its founders, its board of directors, its officers, its agents, and a discerning public.

Success begets Success. rowth of the Company has been rapid, healthy and constant, showing in each year since its establishment :-

in membership : n interest receipts; in assurance in force : in gross income; in surplus for distributing; and in ready convertible cash as-

The object of all connected with its affairs has been to make it one of the best, the most substantial, and enduring Compan-ies of its kind. That success has so far attended their efforts, the present admittedly high financial standing of the Company abundantly proves. Its income has advanced from \$9,698 89 in 1870, to \$190,182 60 in 1883, and its assets from *6,216 00 to \$533, 705 00 The number of Policies issued for the first four months of 1883 was 312, for a total amount of \$423,100. And for the same period in 1884—Policies issued 503, for a total amount of \$732,250, being a gain

of 191 Policies and \$309,1.0 amount. These facts speak for themselves, and should induce all intending insurers to pause and weigh, well the record and result of this Popular Company before coming to a final decision. The thirty-four death and endowment claims maturing in 1883, were paid upon an average of one-fourth of a day from the

completion of the claim papers, and there did not stand on the books of the Company at the close of the year, any claim disputed or contested.

Promptitude in settling claims as well

as Equity and Liberality mark the whole history of the ONTARIO MUTUAL LIFE, Ministers will do well to apply to the undersigned for special information before placing their risks in other Companies. GEORGE KNIGH!,

CHOLERA

COMING!

The countries where Cholera prevails, as in India, China and Africa, Pain-Killer is considered the sarest and safest of all known remedies, and the natives place the most perfect reliance in it.

Read the following extract from the letter of a missionary in China :-

DEAR SIES :- I ought to have acknow. ledg d long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I believe hundreds of lives were saved, under God, by it. The Cholera appeared soon after we re ceived it. We resorted at once to the PAIN KILLER, using as directed for Cholern. A list was kept of all to whom the Pain Killer was given, and our native assistants assured us that eight out of every ten to whom it was prescribed, recovered.

Believe me, dear sirs, gratefully and faithfully yours,

J. M. JOHNSON,

Missionary to Swatow, China. Beware of Counterfeits and Indications Ask for the genuine Perry Davis' Pain-Kill er and take no other.
