Fresh Killed Beef a Specialty.

"There is No Study

that is not capable of delighting us after a little application to it."—Pope.

The time given to such study should be clearly defined by the student. To mark such time, invest in one of our Student's Clocks at \$1.50, and a Scholar's Watch at \$3. These are good, serviceable timekeepers, not the refuse from some bankrupt dust heap. College colors in Stick Pins. Repairs by skilled hands.
