WE'LL DOUBLE YOUR READING SPEED IN 60 MINUTES-FREE!

Learn how you can cut your study time in half.

How would you like to read a novel in fifty minutes? A textbook chapter in six minutes? Or a week's worth of assigned reading in just two and a half hours?

If you'd like to read up to ten times faster, with greater understanding, concentration and recall than ever before, you're invited to a free Evelyn Wood Reading Dynamics introductory lesson.

We want to prove to you what we've proven to over a million people around the world – that our unique, simple reading techniques can cut your studying time in half *or more!* That you can finally put an end to late-night cramming sessions, and the countless hours of studying that rob you of your precious free time.

At a free Evelyn Wood introductory lesson, you'll actually learn to double

your reading speed on the spot. That's right. We'll show you simple techniques that will immediately increase your reading speed 100%!

You'll also learn how your grades can improve while you spend *less* time studying. And how your comprehension and recall will improve as you read at up to ten times your current speed, without skimming or skipping.

But why not see for yourself?

Come to a free Evelyn Wood Reading Dynamics introductory lesson and let us prove that *you* can double your reading speed and cut your study time in half.

What have you got to lose? The lesson is free.
