## LET THEM DO THE HUNTING

Canada's top companies are on the prowl for talented students and graduates, and they're looking for them in the National Graduate Register.

The National Graduate Register is an electronic employment database which provides post-secondary students and recent graduates with free access to the Canadian employer community. Visit the web site, fill out your résumé and let the employers search for you. You can update your file anytime, on-line.

<http://ngr.schoolnet.ca>

The NGR gives you:

- An economical way to market yourself to a national employer community
- the opportunity to highlight your most marketable skills
- electronic access to valuable career information
