

Indian Affairs  
Black Series

(RG 10, Volume 3609)

- File 3229 Correspondence regarding the destruction of the buffalo herds, its threat to the Indians' food supplies and the threat of hostilities which could result from it. 1874
- File 3230 Berens River Agency - Correspondence from Lieutenant Governor Alexander Morris in which he notes that the Indians of Berens River were not parties to Treaty 1 & 2. He suggests that a treaty be made that summer. 1874
- File 3262 Correspondence stemming from a letter from the Bishop of Rupert's Land in which he charges that friction exists between the agents and the missionaries. 1882 - 1883
- File 3278 Two long letters from Reverend G. McDougall and Mr. R. McFarlane reporting conditions in the Northwest Territories in anticipation of white settlement and suggesting steps to establish law and order. 1874
- File 3289 Fort Ellice Agency - General correspondence regarding an agreement reached between the government and the Sioux. 1874 - 1875
- File 3316-1 Official publication of the survey of the Nanaimo and Cowichan Valley, British Columbia. 1874
- File 3316-2 Fort MacLeod - Agent C.E. Denny's report on Indian matters in his district. 1882 - 1883
- File 3325 Reports, memoranda and correspondence regarding the work of the Indian Board at Fort Garry. 1874
