- FAREWELL -

Squadron Leader A.W. Roberts, former Chief Ground Instructor at No. 5 I.T.S., left October 1st., for the RCAF War Staff College, recently opened in Toronto. He is one of twenty selected for the first course chosen from the whole RCAF.

Squadron Leader Roberts was one of the first officers at this Station when it was opened in August 1941, and for almost two years was Chief Ground Instructor. To a great extent it was through his organization, thoroughness, and efficiency that the present standard of No. 5 was attained - the standard which is symbolized by the "E" Pennant that now floats over the Parade Grounds.

It is an honour to Squadron Leader Roberts and to No. 5 I.T.S., that he has been selected from such a large personnel to attend the War Staff College. The best wishes for his continued success go with him from the personnel of this Station.
