A B (3-16) is measured from the edge of the stone in front of the gate (X) to the wall B F. To the wall A C it would be about 1 ft more. I am very much afraid that these measurements will be unsatisfactory but they are the best I could do. You certainly have a lovely room. Doc's has been cleaned out and looks very nice indeed. As you see by the heading of this note, I am not in Residence yet but the Dean ~~to~~ has promised to have my room ready by tomorrow night. That landlady at 39 is a most awful shark. She wanted to charge me \$4 for "extra attendance" and because I would only give her 1st she told me that I must never call myself a gentleman after that day. She simply sailed into you and Doc. too. I had a big time with her. Will
