Ottawa, February 16, 1925.

My dear Jacobs:

Below is extract from a letter just received from

Mr. J.A. Stevenson:

"Did you see the farewell speech of Hon Isaac Sherwood the ninety year old Civil War Veteran who is the Father of Congress and is now retiring. He drew a picture of a golden age for legislators in the seventies.

when

Utah was a territory represented by the distinguished Mormon Elder Cannon. His four wives, sitting side by side in the members' gallery, without cosmetic adornment, were the observed of all observers, as quiet and uncomplaining as four planted oysters in Lynn Haven Bay.

Pass this on to Sam Jacobs and ask him why he did not reply to my letter."

Yours very truly,

Samuel Jacobs, Esq., M.P.,

House of Commons,

Ottawa.
