Ottawa, May 6, 1915.

Sir,-

I beg to say that Mr. Inspector Swinford has informed the Department that a new furnace is required at the Agency House at Moose Mountain. He makes the recommendation for purchase with a view to the safety of the building. The Department desires an explanation from you as to why you did not provide for a furnace in your estimates, if the old furnace is dangerous.

Your obedient servant,

Assistant Deputy and Secretary.

Thos. Cory, Esq.,

Indian Agent,
