For your information I enclose copy of a circular letter that was addressed to all Indian Agents on the 24th April, 1913, giving instructions as to the manner in which balances of accountable cheques should appear in your returns and to request that you will follow these instructions in future.

It is also observed in connection with this statement that you have on hand the following amounts, namely:-

I may say that if you have not already remitted these amounts to the Department you should do so forthwith. All such funds should be remitted to the Department shortly after the close of each month.
