

interest. The large paten is Queen Anne Silver, made in London, by Matthew Lofthouse about 1710. The small paten and large chalice are early and late Georgian respectively and were made in London.

V. The beautiful east window is the work of W. J. Fisher and was made in Quebec in 1900. It represents Nathanael coming to Jesus and bears the text "Behold an Israelite indeed in whom is no guile." Below is the following inscription:—

In memory of Edward Willoughby Sewell, M.A.,
45 Years Incumbent of this Church.
Born 3rd Sept., 1800, Died 24th Oct., 1890.

VI. The present organ, the third one in use in the church, was built by the Karn Company of Woodstock, Ont., in accordance with specifications drawn up by Mr. E. A. Bishop, organist of the Cathedral. It is a two manual instrument of excellent tone and was erected in May, 1904, at a cost of \$2,200.
