

THE THOUSAND ISLANDS OF THE RIVER ST. LAWRENCE.

PREFACE.

This pamphlet is intended to supply information to intending purchasers of Islands in the Canadian portion of this beautiful district.

The Government of the Dominion, which is the Trustee of this property, has determined to sell immediately all the undisposed of portion of it which lies opposite the Townships of Leeds, Lansdowne, Escott, and Yonge, as shown in the Descriptive List herein. This will place upon the market between 600 and 700 of the most beautiful and picturesquely situated Islands on the continent, and offer unprecedented opportunities for obtaining lovely and salubrious summer homes.
