Genuine Singer Sewing Machines

1.—Companies have sprung up in every part of the world for making an "Imitation Singer Machine" Why are not similar Companies formed for making imitations of other Sewing Machines? The Public will draw its own inference. *Gold is continually counterfeited; brass and tin never.*

2.—The Genuine Singer has taken the FIRST PRIZE OVER ALL Competitors more than TWO HUNDRED TIMES. Why?

3.—After the Chicago Fire the Relief Committee undertook to furnish sewing machines to the needy women of that city. Applicants were permitted to choose from six different kinds of machines. 2,944 applicants were furnished with machines; 2,427 choose Genuine Singer Machines, and 517 distributed their choice among the five other kinds of machines! These girls were to earn their living on these machines. Why did they take Genuine Singers?

4.—The people's award to the "SINGER." The People bought Genuine Singer Machines as follows:—

1870.....127,833 Genuine Singer Machines.
1881.....567,381 " " "

Many of the Manufacturers of other Machines refuse to state their sales. Why? Three-quarters of all the Sewing Machines sold throughout the world in 1881 were "Genuine Singers."
