SAVORY& MOORE'S BOOK

Messrs, Savory & Moore, Chemists Messrs Savory & Moore, Chemists to The King, and makers of the well-known Infants' Food, issue a little Book entitled "The Baby," which gives a great deal of useful information on the Care and Management of Infants,

A USEFUL GUIDE

A USEFUL GUIDE

The book contains hints on Feeding, Teething, Development, Infant Ailments, and such matters as Sleep, Exercise and Fresh Air, which are so important for haby's well-being. It also contains a chart for recording baby's weight, a dietary for older children, and recipes for simple nourishing dishes. It forms, in fact, a useful mother's guide, which should find a place in every home. It is not intended to take the place of medical advice, when such is needed, but it will often serve to allay needless anxiety, and indicate the right course to be pursued.

buildlosed for the senett or Dealers, foreshermen and Farmers who have anything to sell or exchange. Five cents a word for each insertion.

GASO-TONIC

The new invention to save Gasoline—i.e., 1%c of GASO-TONIC mixed with Gasoline will increase your mileage from 25% to 40% if used in a car. In addition it will clean all carbon and keep the engine clean, and easy to start. GASO-TONIC has the same effect if used in Gasoline and Kerosene Tractors. Be sure and get your fall supply and save gasoline and engine troubles. Trial Can, \$3.00. Agents wanted. Address VOGTS Ltd., Neville, Sask. Sole agents.
