There is a good demand for milch cows, with prices ranging from \$39 to \$55 each. Calves are in good supply, and average about \$8 each or from \$3.50 to \$6 per cwt.

Trade in sheep and lambs is fair, with at \$4 to \$4.15, bucks at \$3 to \$3.50, and lambs \$5.40 to \$5.80 per cwt. Hogs are a little higher than at last

writing, and are quoted at \$6.25 per cwt. for selects and \$6 for lights and fats. Some dealers think prices will be lower this week.

HORSES

The horse market here continues ac-tive. The supply, however, is about equal to the demand. Dealers are still com-plaining that people who have good horses are asking more for them than the market will warrant them paying. the market will warrant them paying. A pair of fine chestnuts that cost \$1,300 laid down in Toronto were shipped to a buyer in Montreal last week. They were bought near London. The following are prevailing prices at the Repository here:

ingle roadsters, 15 to 16 hands, \$125 bigge foasters, is to it nands, \$120 to \$175; single cobs and earriage horses, 15 to 16.1 hands, \$120 to \$180; matched pairs and carriage horses, 15 to 16.1 hands, \$200 to \$500; delivery horses, 1100 to 1200 lbs, \$125 to \$160; general purpose and earriage horse horses, 1100 and express horses, 1200 to 1350 lbs, \$120 to \$175; draught horses, 1350 to 1750 lbs, \$160 to \$220; serviceable sec-ond hand workers, \$50 to \$80; service-able second hand drivers, \$60 to \$85.

38 Maritime Markets

Halifax, N.S., Oct. 11, 1905.

Fresh made creamery butter is scarce at the present moment owing to shrinkage of milk which is cus-tomary at this time of the year. New Brunswick creamerics quote prints and boxes at 23 cents. It is expect-ed that the situation will be somewhat relieved as the cheese factories, which take a large amount of milk,

which take a large amount of milk, will soon cease operating. Cheese are in small supply. The make in New Brunswick and P. E. Island being smaller than usual. Twins are quoted here at 12 cents and flats at 12% cents. Eins good demand at 20 cents for laim good demand at 20 cents for laid took and 21 cents for Nova Seotia.

for Nova Scotia. The meat market is fairly well supplied with everything excepting pork

plied with everything excepting pork which is very scarce. The oat crop is not equal to first reports and an advance of two cents per bushel has taken place and the market will likely remain firm. The demand for feeds is quiet but will be improving scool. Beans are report-ed from points of production as showing good prospects both for quality and price. In native firmits there is a little of everything on the market. Apples

are in good supply but the quality is anything but good and first class stock is scarce. No. 1 Gravensteins will bring from \$3 to \$3,75 per barrel, other grades are quoted from \$2,50 up. .18

Prince Edward Island

Prince Edward Island The opening lecture in the Farm-ers' Pavilion, Charlottetown Ex-hibition, was heid on September 27th. Mr. E. B. Elderkin, president of the Maritime Stock Breeders' As-sociation was in the chair. Mr. C. M. McRae, Ottawa, in speaking of beef production, said that what is wanted today is an animal weighing from 1,200 to 1,500 lbs. The best age wanted today is an animal weighing from 1.200 to 1.500 lbs. The best age is from two to three years. An ani-mal makes more out of the food you feed it in the first year. Feed and breed cattle well and good results may be expected. Steer beef is the best. best

The call well and good results in a be expected. Steer beef is the bar, yor Shepherd, of Queenston, Ont, said that the fruit exhibit sur-passed everything is fraid agen in the land is admirably adapted fored the land is admirably adapted fored the land is admirably adapted fored the should always command a ready sale in the English markets. He empha-sized the need of proper cultivation of the orchard. Trees should be care-fully sprayed, trimmed and pruned. Coal oil, soap, etc., is a good remedy for certain kinds of insects. A mix-ture of lime and suphur will kill the San Jose scale and stimulate the growth of the tree. The proper time to prune is in early spring. Mr, Gilbert DesRoches, of Mas-couche, was in the city attending the evaluation. He is the great oyster the year's scale and submire days after the year's scale and submire days after the year's scale and the la-land, and he western part of the la-land. The combine the day after the part shipped a young Short-horn bull to Trinidad. This is the tild slipment made from his herd to Trinidad.

to Trinidad. At the Charlottetown exhibition-the display of gilt-edge dairy butter was highly creditable to our farmers' wives and daughters. F. Lang, Mrs. O'Sullivan and Mrs. W. G. Durke carried off first prizes. For cheese. Mrs. J. R. Drake and A. McMillan work first prizes. won first prizes.

There was an excellent show of pots and vegetables. Mammoth roots and vegetables, Mammoth squashes, polatoes, mangels, turnips, cabbage, cauliflowers, etc., were view-ed and admired by thousands of peo-ple. In Mr. Burke's exhibit of gar.-den vegetables there was a collection of small tomatoes representing **a**
