

THE
SMITH
 CONCRETE AND MORTAR
MIXER

FACTS ABOUT IT

1. Four years on the market.
2. 1100 sold—all giving satisfaction.
3. **Twice as many in use as of any other make.**
4. A Smith Mixer was never in a single case disapproved by engineer or inspector (*A hundred or more letters of endorsement from government, railroad and civil engineers. Several hundred from contractors.*)
5. A Smith Mixer was never displaced by a Mixer of other make, while it has frequently replaced other machines.
6. **A Smith Mixer will perfectly mix a batch in less time than any other mixer on the market.**
7. Has a record of 90 batches an hour under rigid inspection.
8. Hundreds of Smith Mixers have run from 2 to 4 years without one dollar for repairs.
9. The Smith Mixer cleans as easily as any Mixer, and more easily than most. A few pails of water and a few revolutions, just before shutting down—That's all.
10. 65 sold during March. 70 in April.
