1916 yet to run, managers are expressing the opinion
that the average percentage may go to 20 for the year 1914, with individual cases running perhaps to gages of the warring nations, and held \$64,186,000 in bonds, and \$14,517,000 in mortgages of Provinces of the belligerents. Considering all European nations and their colonies these investmentments reached a Word has just been received from a party of five total of \$148,070,000 in bonds; \$25,995,000 in mort-

The statutes of European nations do not directly a revolution. It is said prominent business men in Rome, but have at last succeeded in making the three have warned the United States that such a development is likely, and have enquired whether the S. S. Canada, which by a strange coincidence is they can look to the Washington Government for the boat upon which they originally intended to book the policy-holders of those countries. This special deposit is the reserve or fund set aside to secure

Austria demands a deposit with that governmen to the full amount of the reserve against the outstanding insurance in that country. This also is true COTTAGE IN OUTREMONT - WELL LOCATED of Germany, Italy and Canada. Great Britain asks a deposit only in a small proportion to the entire re-serve. This accounts for the small amount of English investments, although the companies do a large

A few countries reqquire that this deposit consist of their own bonds and mortgages, but in general ment may be deposited. The funds held by these foreign nations are always recognized as part of the total assets of the individual company. In most cases the special deposit consists in whole or in part of

INSURE SALARY TO THOSE

1441/2 Many Big English Companies Have Guaranteed to

London, August 25 .- Many of the big employers of 2714 labor in England have shown a true spirit of patriot-181/2 ism by announcing that those dependent on the men who quit their employ to join the army will receive either half or full pay during their period of service under the colors. The men, moreover, will be given their old positions at the termination of the war. James Buchanan and Company, whiskey distillers declared that they would give full time to the married men and half time to the single men who left their

employ and joined the British army, in addition to giving the men their jobs back when they returned from the front. The Associated Portland Cement Manufacturers have agreed to re-instate the men upon their return from the war, and in the meantime will turn over 1431/2 to the wives or relatives of the warriors the differ-

1491/2 ence between their regular wages and those which they will earn in the army. The Dunlop Rubber Company, which lost 1,000 m through enlistments, has anounced it will keep their 84% places open, and during the war will pay half the salaries to the wives of married men.

The Union Castle Mail Steamship Company will 7714 give half pay to the married men, and the Gen Society for the Prevention of Cruelty to Animals will 831/2 give half pay. Both organizations will re-instate the

Hundreds of firms and instituions throughout the United Kingdom have been equally liberal. CENTRAL LEATHER DIVIDEND.

New York, August 25.—Central Leather declared its regular quarterly 1% per cent. dividend on the preferred stock, payable Octobes 1st to stock of record

The suspicion that the Cunarder mentioned in the above dispatch was the Aquitania has been confirmed by a Lloyds' dispatch from Liverpool, which says:— "The Cunard liner Aquitania, now in the Governmen service, anchored this evening at the Mersey Bar with her bows damaged."

Mr. G. W. Badgley, the well-known local real estate broker, in commenting on Mr. Browne's talk on Confidence, stated that things hardly warranted too much optimism. He stated that he had talked that he had talked the complete the complete the complete that the complete the complete that the complete that the complete the complete that Russia, 9; Canada, 2 and Austria 1.
