

Progressive Jones says:
"Be Sure to Use Well-Mixed Fertilizers"

ONE day a man said to me, "Jones, why don't you tell the farmers to be sure and use well-mixed fertilizers?"

Well, I thought I had done so, but perhaps I didn't do it often enough. You see, friends, it's important to use well-mixed fertilizers. Otherwise, your fertilizers will be strong in some places and weak in others, and crops fertilized with it will show uneven growth. Now, I've been at The Ontario Fertilizers Limited's factory and have seen

Harab Fertilizers

being mixed. I have never seen a more thorough job. Every pound of the fertilizer is in exactly the right proportions. And the fertilizer is finely ground and in good dry condition. It is in the very best possible shape for use on the field.

Remember, friends, that cheap fertilizers are poor investments. You need the very best you can get. And if there are any better fertilizers than Harab Fertilizers, I don't know their names.

The year of 1915 will be a year of high prices for farm produce on account of the European war. Make up your mind to make your land yield bigger crops than ever before. That means fertilize.

*Yours for bumper crops,
 Progressive Jones*

DAVIES' Fertilizers

are preferred by many farmers. They are excellent, well-mixed fertilizers. The Ontario Fertilizers Limited will supply you with either Davies' or Harab brand. Just state your preference. Also ask for either the Harab or Davies' Fertilizer booklet. Either is free on request.

Holstein breeders should not miss the big Lakeview sale to be held at the farm, near Bronte, Ont., February 17th. Young stock, sired by such bulls as Count Hengerveld Fayne De Kol, Dutchland Colantha Sir Mona, and King Canary Segis, and backed by official-record dams, should be a great attraction. Attention is called to the advertisement in this issue of the Norfolk Holstein-breeders' Club annual sale, to be held in Simcoe, Ont., on February 11th, 1915. Every animal offered will be sound and right in every way. All cattle not already tested will be sold subject to the tuberculin test. This is an excellent opportunity to get some of the best Holstein blood in Canada. Write J. Alex. Wallace, Simcoe, Ont., for catalogue.

Attention is directed to the new advertisement in this issue of milk cows, potatoes, and eggs for hatching, the property of Henry Smith, R. R. No. 2, Port Perry, Ont. Geo. Amos & Sons write: "Our Shorthorns are coming along nicely this winter. We have a very promising bunch of calves coming on by our present stock bull Imp. Loyal Scott. THE BIG SHORTHORN SALE.

The war was being discussed from all angles at the regular Saturday night meeting of the Gin and Possum Colored Gentlemen's Social Club.

"Yas, suh!" announced Pomp Dawson, with a wise look in his rolling eyes. "Dem Guhmans has got guns dat'll shoot, an' shoot tuh kill at twenty-fi' miles."

"Huh?" asked Brother Jackson, cocking his head. "Yas, suh!" went on Pomp. "Dey not on'y shoot twenty-fi' miles, but dey kill at twenty-fi' miles."

"Great Lawd!" gasped Jackson. "Nigger'd run all day an' git killed 'bout suppertime, wouldn't he?"

"Didn't I tell you the last time you were here," said the magistrate sternly to the prisoner who had celebrated Christmas not wisely but too well. "that I never wanted you to come before me again?"

"Yes, sir," replied the prisoner; "but I couldn't make the policeman believe it."

The Canadian Lawyer

OR
 HOW THE FARMER CAN KEEP OUT OF LAW SUITS

THE "Canadian Lawyer" is a book that will protect the farmer against the sharp practise of agents or any person else, who might like to get him in a tight place. It gives the most important provisions of the Laws of the Dominion and of each of the provinces. The information is given in simple every-day language, so that farmers will be able to do a great deal of their own business strictly in accordance with the law, without having to pay each time for a little bit of ordinary advice. It also gives simple and correct Forms for the preparation of all kinds of legal documents that a farmer would ever have occasion to use. Chattel Mortgages and Bills of Sale are explained fully—how to make them, the law in regard to them, and when to use them. Similar information is given regarding Cheques, Liens, Notes, Land Mortgages, Promissory Notes, Receipts and Wills. Instruction as to Exemption from Seizure for Debt; the law in regard to Line Fences; the use and form of Powers of Attorney, and in fact everything else that a farmer would require to know.

The book contains 453 pages, price \$2.00 in good cloth binding, and will be sent, postage paid, when cash accompanies the order. Send your order direct to the publisher.
