Electric Insect Exterminator

The only practical dry powder sprayer—no water required. With this sprayer, one pound of Paris Green will cover an acre of potato plants. Our patented device regulates the quantity of powder and prevents waste. Machine works up, down and sideways, so every part of the plant is reached and every bug killed. Children can keep vegetables and flowers free of insects, without trouble, when you have the Electric Insect Exterminator. Illustrated catalogue of Sprayers, Seeders, Planters, Drills, Wagon Boxes, etc., sent free on application. The Eureka Planter Co., Limited, Woodstock, Ont.

25 Years

of actual wear is proof that Fire, Lightning, Rust, Rain and Snow has absolutely no effect on

"EASTLAKE" Steel Shingles.

That's the kind of a roof you want on your house and barn. They are the cheapest, being easiest and quickest to lay, and last the longest.

Send us measurements of the roof you intend covering, and we will give you complete estimates of cost.

"A paper guarantee vs. a 25-year actual test. I will leave it to you which is the 'safest.' I think actual proof is the best surety."

—The Philosopher of Metal Town.

Easier on Horses.

Our WIDE-TIRE STEEL WHEELS are easier on horses than narrow-tire wheels. Don't cut into soft ground and drag strength out of horses. Lighter in weight than wooden wheels, yet far stronger, more lasting. Every farmer should have a set. Write for catalogue. 8 Dominion Wrought Iron Wheel Co., Orillia, (Limited) Ontario.
