High Power Rifles

No other repeating rifles made have the tremendous shocking power of the Winchester .33, .35, .401 and .405 calibers. The cartridges they shoot have heavy mushrooming bullets, making them exceedingly deadly for the biggest game. Equip Your Horse Stable For All Time

A horse stable equipped with BT Iron Fittings looks as good as new after 100 years' use.

The stall posts are made of iron and grooved up five feet to receive the board partitions. No amount of battering will disfigure them.

The guards on the stalls consist of 1/2-inch rods secured in a heavy frame. The horses cannot crib them.

The BT mangers each include an iron oat-bowl and a hay-rack made of iron rods like the guards.

BT IRON HORSE STABLE FITTINGS

A BT Iron Stall Post pays for itself, for it outlives a dozen wood posts. And that's true of BT Iron Guards and Mangers. No worry and expense over repairs. No broken boards to mar the appearance of the stable.

The BT Iron Fittings add a value to the horses, for they give them a better groomed appearance. A buyer can look

right through the row of open stall guards and see all the horses with the sunlight flooding over their sleek coats. You'll get a better price.

Our illustrated book fully describes these fittings. Simply fill in the coupon below, tear off and mail to-day. We'll send the book free. Address:
