Do not be misled by interested agents, men of ready speech, who are all selling the "best" machine,  
 no matter how cheap and worthless they are. Listen to men in your own rank who have tested them:

WHITESAND, ASSA., 15TH JANUARY, 1900.

Dear Sirs,—Please send me a copy of your Dairy Handbook. I expect to milk 17 to 20 cows this  
 summer; am milking 14 at present date. I use one of your 7½ Alexandra separators to skim the milk.  
 Have used this machine four years with greatest satisfaction, and it shows no sign of wear yet. Repairs  
 have cost me 10 cents in the four years. Yours truly, ALFRED HUTCHINSON.
