Silver Wedding of Judge and Mrs. Landry.

The Montreal Daily Star of Wednesday, Sept. 22, refers as follows to the celebration of the Silver Wedding of Judge and Mrs. Landry:

A somewhat unique celebration of a Silver Wedding took place at the home of Mr. and Mrs. Landry of Dorchester, N. B., on Friday last, September 17, when Hon. Mr. Justice Landry of Dorchester, N. B., and Mrs. Landry completed the twenty-fifth anniversary of their marriage. It was the intention of Judge and Mrs. Landry to celebrate the observance of this interesting anniversary to a quiet family reunion. A few days before, however, the authorities of St. Joseph's College, were made aware of the significance of the date to their most distinguished alumnus, and determined to mark their affection for him and his family in a fitting manner.

An invitation was accordingly sent to the Judge inviting him and all his family to spend the afternoon at his Alma Mater. His two eldest sons are students at the institution. Rev. Fathers Roy, Cormier and O'Neil of the Faculty received the party on their arrival, and after offering hearty congratulations to their guests led them to the college refectory where a tempting luncheon was spread. At the conclusion of an enjoyable repast the Rev. President, Father Roy, arose and, with a few appropriate remarks, requested Mrs. Landry to accept from the Faculty a souvenir of the occasion. The Faculty then presented her with a handsome silver soup tureen and a silver fruit dish.

Judge Landry was visibly touched by this marked proof of affection and esteem on the part of his Alma Mater and thanked the Fathers warmly on the part of himself and wife for their unexpected and delightful celebration of his wedding anniversary. On the return of the party from St. Joseph's in the evening, a number of the Dorchester friends of the popular Judge and his even more popular wife called on their residence and presented them with an address and several beautiful gifts. Mrs. Landry was also the fortunate recipient of a diamond ring from her husband and an Ormolu clock, a souvenir from her seven children.

THE VICTIMS OF 1847.

Solemn Services Held Over Their Graves.

Montreal Gazette, Sept. 20.

The Irish Catholics of Montreal paid a noble tribute yesterday to the memory of those of their fellow-countrymen who, emigrating from their own famine-stricken country fifty years ago, found but a dreary sepulchre on the banks of the St. Lawrence through the outbreak of ship fever. To the generous impulses of a workman's heart is due the only monument which day marks the tomb of these unfortunate people. In a little plot near the Grand Trunk Railway station, and in the vicinity of the Victoria Bridge, a large, rough hewn boulder of oval shape is set up on a base of black stones such as was used in the bridge construction.

This rough monument is inscribed as follows:—

To Preserve from desecration the remains of 6,000 immigrants who died from ship fever A. D. 1847.

THIS STONE IS ERECTED BY THE WORKMEN MESSRS. PETO, BRASSY & BETTS EMPLOYED IN THE CONSTRUCTION OF THE VICTORIA BRIDGE A. D. 1859.

It was to honor and perpetuate the memory of these departed ones that this noble monument was erected, that the various Irish Catholic societies of the city, as well as thousands of the Irish people, gathered in the vicinity of the tomb yesterday afternoon to join in appropriate services. The occasion was a solemn and touching one, and was presided over by various speakers appropriate to the occasion.

The societies formed at different points, and amalgamating at St. Ann's church, marched in procession, headed by a detachment of police, to the cemetery. There were probably about five thousand people present, and the procession was a most impressive one. Near the enclosure which marks the cemetery there was erected, for the occasion of the ceremony, a platform, which, heavily draped in purple and black, and sustaining a large catafalque in the centre, suggested the mournful character of the function.

This platform was occupied by His Grace the Archbishop, who officiated in the religious exercises, Rev. Fathers Schellhaert and Simard, who assisted him; Bishop Michaud, of Ojébaque; Rev. Father Strubbe, of Guerin, M. L. A., president of St. Patrick's Society; Mr. M. J. E. Quinn, M. P.; Dr. Devlin, Hon. Judge Curran, Mr. Alfred Perry and others.

When His Grace the Archbishop and the other assembled on the platform had taken their places, the ceremonies were opened by the singing of the "Liberal" by the voices of the city, immediately followed by a service of prayer.

REV. FATHER STRUBBE'S ADDRESS. Speaking from the front of the platform, Rev. Father Strubbe, who presided at the opening of the occasion which had drawn them together, He pathetically referred to the mournful history of the unfortunate immigrants who, fifty years ago, had left their native land to seek a better life in a new country, and the livelihood which was denied to them in their own country, and the mournful fate which befell them in the land which they had looked forward to with feelings of hope.

He then referred to the fact that the victims had been buried in that sacred spot, and to day they had come to say a prayer upon their graves and to pay a tribute of respect to the memory of those who had lived and died in that sacred spot. AFTER MANY YEARS.

A Sufferer is Restored to Health and Strength—Suffered from Weak Heart and Could not Safely Walk any Distance—How the Pulse of Life Was Adjusted.

From the Cornwall Freeholder.

The romance of unwritten facts of real life far exceeds the rich elaborations of fiction. A peep behind the scenes would furnish us with adequate proof that there is more of care, trial and severe anxiety in human life than floats on the surface. We find many whose experience has almost incessantly fluctuated between health and sickness; little if any of this is intruded upon the notice of the world, or breathed into human ear. You may secure the confidence of some of these sufferers who will rehearse to you dark catalogue of pains and aches that are often ill understood by the friends and inadequately treated by the physician.

Thanks be to the mighty genius that discovered the now famous panacea for the ills to which humanity is subjected when suffering from impoverished blood or a shattered nerve system. Thousands have and thousands are still using to the greatest advantage Dr. Williams' Pink Pills. They have passed the ordeal of experiment again and again with ever-increasing honor.

The following statement is from one who was rescued from seeming permanent enfeeblement and distressing heart action. Mary Fisher, of Lancaster township, Glengarry county, is a maiden lady. About eight years ago Miss Fisher was seized with weakness and a distressing sensation in the region of the heart. It was attributed to several causes, all possibly more or less true, they were overwork, exposure, etc. She was certainly weak and the action of the heart was abnormally rapid. The doctor in attendance pronounced the ailment nervous prostration of the heart and she received treatment accordingly for two years.

At this stage she took to her bed she was so low. For twelve months she lay receiving only domestic attention. She improved somewhat, however, and was able to be taken to a friend of hers near Lancaster village, Mrs. J. H. Hancy, where she was under medical attendance and took medicine for about three years. At the end of this time she could not safely venture to walk out even a short distance. All this time she complained of her heart. About two years ago she began taking Dr. Williams' Pink Pills, from this date began what proved a steady restoration of nervous energy. During the summer of 1896 the improvement was marked. She was able by the middle of the summer to do as much work and walking as most ordinary women, and so satisfactory and apparently permanent is the cure that Miss Fisher has gone to her former home. Such are the unvarnished facts of a remarkable case. The malady was persistent, tenacious and hard to fight. But the constant use of Dr. Williams' Pink Pills wrought a marvellous change, which Miss Fisher's friend said might be profitably known to many others.

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that ever box you purchase is enclosed in a wrapper bearing the full trade mark, Dr. Williams' Pink Pills for Pale People.
