

ITALY 1881. **ESPOSIZIONE MUSICALE IN MILANO**
Sotto il Patronato di S. M. la Regina,
Palazzo Del R. Conservatorio
AT THE GREAT ITALIAN MUSICAL EXPOSITION

Recently closed at Milan, was probably the MOST EXTRAORDINARY COLLECTION OF MUSICAL INSTRUMENTS, old and new, ever brought together; fully illustrating the great progress which has been made and present high excellence in this department of manufactures. After exhaustive examinations, tests and comparisons, extending through a period of several months, more than 350 Awards were made of medals and diplomas, in recognition of degrees of super-excellence attained in the various departments of musical art and manufacture. For REED-INSTRUMENTS, including Organs and Harmoniums of all descriptions, European and American.

THE GRAND SILVER MEDAL,
 being the only highest award in this department, was conferred upon the
MASON & HAMLIN ORGANS.

Their manufacturers value this extraordinary distinction the more highly because of the importance of the occasion, especially as an INTERNATIONAL MUSICAL INDUSTRIAL COMPETITION IN A COUNTRY SO PRE-EMINENTLY MUSICAL. The Mason & Hamlin Organs were honored by special exhibition before the Royal Court by CARLO DUCI of Rome, and warm commendation from their Majesties the King and Queen. At all the GREAT WORLD'S INDUSTRIAL EXPOSITIONS for fourteen years these Organs have received the HIGHEST HONORS, being the only American Organs which have received such at any IMPROVEMENTS. During the year just closed this Company have introduced improvements of greater value than in any similar period since the introduction of the American Organ by them, twenty years since.

ELEGANT STYLES are now received from their factories, surpassing in capacity and excellence anything which has before been produced, and certainly worthy to be ranked with the VERY FINEST MUSICAL INSTRUMENTS IN THE WORLD. They are in cases of solid BLACK WALNUT, MAHOGANY, ASH, FRONTIER, &c., at net cash prices, \$240, \$330, 360, \$390, \$480, \$570, \$640, and \$900.

POPULAR STYLES, including also, the most valuable of the recent improvements, and adapted to all uses, public and private, in plain and elegant cases, are at \$22, \$30, \$37, \$66, \$72, \$84, \$90, \$93, \$99, \$102, \$105 to \$200, and up.

EASY PAYMENTS. These organs are sold for cash or easy payments, or will be rented until rent pays for an organ.

A NEW ILLUSTRATED CATALOGUE, just issued, fully describing and illustrating ORGANS, with net price lists and circulars, will be sent free to any one desiring them. Certainly no one should buy or rent any organ without having seen these circulars, which contain much useful information about organs.

THE GREAT SECRET
 Of the wonderful success of the
WILLIAMS SINGER SEWING MACHINES

lies in the fact that the material used in their construction is of a very Superior Quality, and that extraordinary pains are taken to see that every part is properly fitted and adjusted to its position.

Ladies who have used our Machines for fourteen or fifteen years have noticed with extreme satisfaction that they have not been subjected to the irritating annoyances endured by persons using other machines, such as skipping stitches, breaking threads, etc., etc.

The Williams Machines do not take fits or get out of order, or become played out in three or four years like some inferior machines, but with ordinary care will last a lifetime. Thousands of parties who have used our Machines for ten years and upwards are continually recommending their friends and acquaintances to buy the Genuine Williams Singer, and to take no other Sewing Machine.
