ST. PAUL'S CHURCH, DAUPHIN, MAN.

This beautiful pulpit was presented by Mr. J. E. Hedderley in loving memory of his wife. The pulpit is a splendid piece of work. It is placed on the south side of the Chancel arch, the position of the pulpits in Canterbury Cathedral and St. Paul's Cathedral, London. It is of stone, and built entirely in Dauphin by Mr. E. Pilgrim and Mr. J. Lane. 550 hours were spent on the cutting of the panels alone. It stands 6ft. 6in. high and is 4ft. square, is octagonal and weighs 4,000 lbs. The base is enriched with Grecian moulding and the shafting of "Tyndal" stone is ornamented with Gothic and ecclesiastical designs. The panels forming the body of the pulpit are of beautiful perforated tracery, the small panels being tastefully filled in with trefoils and quatrefoil tracery. The panels and capping are cut of "Bedford" (Indiana) stone. Built by The Dauphin Marble Co.

Why Make a Will?

Whether you own a big business or a few securities or only a Life Insurance Policy, you should MAKE A WILL. A Will saves confusion, costs and delays in administration and insures that your property will go where you wish it to. It is wisdom proved by experience to appoint a reliable Trust Corporation as Executor and Trustee. Write for free Booklet.
