

ENGLISH SOCIETY GOSSIP.

It is stated that the Queen is anxious for a marriage between Prince George of Wales and Princess Alix of Hesse to take place.

Captain Osbert Lumley, whose engagement to Miss Wilson Patten is announced, is the younger brother and presumptive heir of Lord Scarbrough and is brother to Lady Zetland and Lady Grosvenor. He holds commission in the 11th Hussars, but for the last eighteen months has been on Lord Zetland's staff. Miss Wilson Patten is Lady Headfort's daughter and is supposed will inherit the large Cheshire and Lancashire estates of her grandfather Lord Winman.

OF INTEREST TO WOMEN.

The newest coat bodice is cut away on the hips and sets in rather long, narrow and flat swallowtails at the back. The front hangs straight from the collar-band or turns back with revers, like the dress-coat of a man. No material is too elaborate for these affairs. White buckskin and embroidered velvets are used for the vests.

There is a dainty new underwaist called the "Boelero." It is tight-fitting in the back, but in front the two ends lie loosely. There are no front seams at all. It comes in all the delicate shades of India silk, trimmed with fine thread lace.

The latest fad which the stocking may boast is a choice collection of embroidered bowknots half way up the leg. When worn with a pink gown the stocking will have pink bowknots upon it. Ecru silk stockings are embroidered in brown, and, in fact, every combination of color, is used.
