

3. The said Corporation shall also have power to establish and maintain, whenever the Association shall so decide, a Homœopathic Hospital in the said City of Montreal, for the reception of persons needing medical or surgical treatment.

May establish an hospital.

4. The said Corporation shall also have power to establish a College, and to appoint professors to teach, by regular courses of lectures, the principles and practice of medicine and the *Materia Medica* according to the doctrines of Homœopathy, to such persons as have received or are receiving instruction in all the other requisite branches of a medical education; all such professors must be medical graduates of a British or Provincial University, or medical licentiates of a British or Provincial College or Board legally incorporated; the said College shall be known as the Homœopathic College of Montreal.

May provide for teaching Homœopathy.

5. The said College may at any time become affiliated to any Provincial University between which and the said College mutually satisfactory terms may be agreed upon.

Affiliation to a Provincial University.

6. The said Corporation shall have power to appoint three persons, who shall be medical graduates of a British or Provincial University, or medical licentiates of a British or Provincial College or Board legally incorporated, to be a Board of Examiners to examine all persons who may desire to obtain a license to practise medicine according to the doctrines and teachings of Homœopathy within the Province of Lower Canada.

Board of Examiners.

7. Every person who desires to be examined by the said Board, touching his qualifications to practise physic, surgery and midwifery, or either of them, according to the doctrines and teachings of Homœopathy, shall give at least one month's notice in writing to the Secretary of the Association; and must show that he is not less than twenty-one years of age, that he has followed medical study for not less than four years under the care of one or more duly qualified medical practitioners, and that he has attended at some University or incorporated School of medicine not less than two six-months' courses of Anatomy, Physiology, Surgery, Theory and Practice of Medicine, Chemistry, *Materia Medica* and Therapeutics respectively; and not less than one six months' course of Clinical Medicine, and Medical Jurisprudence respectively, and shall have passed the examination required by such University or incorporated School of Medicine as appropriate to such courses.

Notice by persons wishing to be examined; and what it must show.

8. If the Board be satisfied by such examination that the person is duly qualified to practise either or all the said branches of medicine, as they are understood and practised by Homœopaths, they shall certify the same under the hands and seals of two or all of such Board.

Certificate to be granted.
