Christian Endeavor.
The society met on Tuesday evening this week in the Methodist church. The president Jas. H. Moore in the chair. The topic for the evening was "Proofs of our Allegiance to Christ," 1 John 4th chap. The subject was opened by James Johnston. Three proofs were specially mentioned. First, confessing Christ. Second, Hearing God's messengers and receiving the divine message in faith and love and practising it in life. Love to the brethren. Most of the active members spoke on the topic or read proofs bearing on it. The attendance was not so large on account of the great heat. By the way it is quite a test to our allegiance to Christ to choose between spending an hour in the open air on a pleasant evening and spending it in a church heated up to 84 degrees. The topic for next meeting will be "The world for Christ; our worlds for Christ. Acts 11; 1-11. Leader, Mr. Storer.

Formosa.
The R. C. church here was the scene of a very pretty wedding on Tuesday morning at 8 o'clock, when Miss Caroline Montag was united by matrimonial bonds to Mr. James Weishar. Rev. Father Brohmann was the officiating clergyman. The bride looked very charming in a navy blue suit trimmed with cream watered silk. She was assisted through the ordeal by Miss E. Weishar and Miss E. Montag, while the groom was supported by Messrs. Philip Montag and Henry Weishar. The bridesmaids were prettily dressed in cream cashmere trimmed with pink ribbon and cream lace. After the ceremony was concluded an adjournment was made to the residence of the brides father, Mr. Henry Montag, where a sumptuous repast was served. The Formosa choir, under the management of Mr. Sebastian Gfroerer, leader, furnished vocal and instrumental music for the occasion. After tea the light fantastic was tripped until the wee hours. Messrs. Schmidt, Weiler and Waldorf composed the orchestra. The music was of a high class. We join with the young couple's numerous friends in wishing them long life and prosperity.

Lakelet.
We regret to announce the death of Mr. Jas. Stewart, con. 8, Bruce. Deceased, who has been failing for some time, was buried on Saturday. He was an old resident on the 8th and his death is much regretted by his neighbors.
A painful accident occurred at Parker Bros.' shingle mill, Hepworth, last Monday evening. It appears the mill was being shut down, and while the machinery was still in motion, Earra, the 11 year old son of Henry Dankert, in passing the edging saw, placed his left hand on the trip board over the saw. The third finger was taken completely off, and the middle finger badly lacerated. Dr. Campbell dressed the hand, and the boy is doing as well as could be expected.
Thomas Kelly, Brussels, has a curiosity in the shape of a gun, which was made in 1815, in the reign of George III, and is marked with the letters G. R. (King George.) It is 4 feet 6 inches in length, and has an oak stock with brass finishing. It is said to have been used in the battle of Lundy's Lane.
A bad accident occurred at the raising of a barn on the farm of Mr. Wm. Norton, Brant, on Tuesday. A large gang of men were present and the usual race took place. He was pinned between the timbers and received frightful injuries. One hand is smashed out of all resemblance. A bad scalp wound was inflicted on the head.
