ROSSLAND WEEKLY MINER, THURSDAY, JUNE 17, 1897. Certificate of Improvements.

A SIGNIFICANT MOVE. THE ROSSLAND CAMP.

Our Kaslo correspondent this week joins the Sunset, Gold Hunter and Phoedown to a strictly business basis. We are happily rid of the froth and foam of the purely speculative period. The merry days of the festive promoter are over and we have come to look the real down to a strictly business basis. We states that the report is current there nix mines. I should like a candid reover and we have come to look the real Bay smelter. We should not be at all the claim since it became the property possibilities of the future squarely in surprised if this is true. Ex-Governor of the Abe Lincoln company. It shows the face. The success of the camp must Grant has been on Kootenay lake for several narrow veins of high grade ore, henceforth depend upon the amount of ten days or more and he has been free none of which have so far developed suf-
