Agricultural Society May Purchase Land

At the meeting of the Agricultural Society next Tuesday evening a number of important matters will be dealt with, the principal one being the purchasing of permanent fair grounds for the fall fair. Two or three different suitable sites for a fair are available and it is expected that some definite plans will be made at this meeting. All citizens interested in our fall Fair should attend this meeting.

In Memoriam

In loving memory of our aunt Sarah A. Langton, who passed away so suddenly March 7th, 1921.

Just when her days seemed brightest,
Just when her days seemed best,
God called her home from amongst us
To his home of eternal rest.

Sadly missed by her niece,
Eva G. Drummond.

Notice

Will the party that was seen taking the fur coat and mitts from the line fence between Chaffe's and King's the afternoon of Monday March 6th, kindly return same to owner and save prosecution.

Fix Harvesting Machinery.

A rainy day spent in putting that mowing machine, hay loader, binder and other harvesting machinery into shape is a mighty good investment of time. This is more true this year than usual for two reasons — first, labor is much scarcer, and therefore the loss of any time wasted will be greater, and, secondly, the parts may be harder to get than usual, due to a shortage of supplies in many lines. Forethought may save some after-work.
