## WE REPAIR WEAK MEN

ONE SECRET OF OUR SUCCESS. Every case submitted to us receives the personal attention of our medical staff, who consider the symptoms, complications and chronicity, and then decide as to the disease and curability. Specific remedies are then prescribed for the case and are compounded by our own chemist in our own Laboratory. Such appropriate treatment cannot fail to cure, as specific medicines are selected to cure the symptoms that trouble you. We have no cure-all medicines like most specialists use who send the same medicines to all patients alike and cure none. We have treated patients throughout Canada for over twenty years and can refer to any bank as to our responsibility. We Guarantee Cures or No Pay. We Treat all Diseases of Men and Women.

### TOLEDO

Mr Lewis Hart, who has been in Manitoba and the North-West for some time, is home on a visit to his parents.  
The Toledo Baptists held their annual entertainment in the Town Hall on the night of Jan. 25. Quite a large crowd assembled to enjoy the varied programme, and although the home talent distinguished themselves, the foreign talent viz: Miss Grace Richardson and Mr Tooker of Brockville upheld their reputation for being good entertainers.  
Mr Geo C. Bellamy is around again after a slight attack of pneumonia.  
We are sorry to learn that Mr Seward is still seriously ill. It will be several days yet before the turning point comes in his disease.  
The Farmers' Institute meeting held in Toledo town hall Monday night was a success. The speakers were Mr Kerr and Mr Calanan, and both these gentlemen certainly gave some good practical advice. Great stress was laid on the fact that farmers neglect their farms to much, letting weeds flourish, that more machinery is worn out by rust than by work, and that farmers are, as a rule not neat enough regarding their dairying operations. Sixteen members were added to the roll and the crowd seemed to be very much interested in all that was said.  
Mr William Dodd, who has been a

disposed for the past few days is well again.

Mrs S. Dodd, who has been seriously ill with pneumonia, is slowly recovering.  
Mr and Mrs Riceard Stratton of Brockville were guests recently at the home of Mr Mirza Nichol.  
Miss Mary Pratt was the guest of Mr and Mrs Hiram Nichol last Sunday.  
Mr Elmer Livingston of Brockville is visiting his Toledo and Frankville friends.

### Fruit Trees

Now is the time to place your order for fruit and ornamental trees. We have the largest line of nursery stock grown in Canada. Our Apple, Pear, Plum, Cherry and Peach trees are unsurpassed for fibrous roots. In small fruits the Herbert Raspberry and Black Raspberries are our heaviest sellers as they are big money-makers for the small fruit-grower. Our nurseries have been visited by some of the largest fruit-growers in Canada and after an inspection of our trees, they have given us their orders. Write for our catalogue and give us a list of your wants. **BROWN BROS. Co., Browns Nurseries, Wainland Co., Ont.**
