### PIERCE'S INSTITUTION

LEWER ECCNEMY, JUNE 25th, 1850 Mr J. B. Morton, Eridgeto wn, N. S. DEAR SIR,—I hereby certify that I was troubled with Chronic Diarrhees for five years, which was brought on by liver and years, which was brought on by liver and stemach frouble. During that time I had treatment from five doctors and a month's inédicine from Pierce's Institution, Buffalo, all of which did ne little or no good. Last November I commenced taking Dr Norton's Dock Blood Purifier, at which time I was 'unable to work and all of my food went to water, dare not eat any meat of any kind and had given up to die. I only used two bottles of the medicine and am now well and strong, and would highly recommend it to all who are affected as I was.

Yours truly,
