

THE ACADIAN.

WOLFVILLE, N. S., MAY 20, 1910.

The Railway Deal.

The announcement that the Dominion Atlantic railway has passed under the control of the Canadian Pacific, has been received with very general satisfaction.

Our Streets.

The street authorities are doing some good work this spring. A great improvement has been made in the condition of Gasperon avenue, which is especially noticeable.

The Automobile.

The idea appears to prevail in some quarters that because the government has failed to approve of the regulations of the municipal council concerning the running of automobiles, we have now no law bearing upon the question.

Helpless Little Babies.

Ask any mother who has used Baby's Own Tablets and she will tell you they are the best thing in the world for curing stomach and bowel troubles.

The Canadian Magazine contains the following contributions: 'The Arctic Host and Hostess,' by Agnes Diana Cameron (illustrated); 'The Feast of Empire,' by Randolph Carlyle (illustrated); 'The Great Silence,' being an account of the most recent visit to the Crystal Palace and on the Thames river this summer.

King George.

King George is already winning the good opinions of the British people and of the Empire at large. His manly bearing in the presence of a great grief, his prompt application to duty and his thoughtfulness, as exemplified in the treatment of the question of public mourning, have appealed to the public, and have suggested that he is not behind his predecessors in ability, in tact, and in devotion to the interests of the State.

He was close to Queen Victoria in his early days, and there learned that graciousness is one of the attributes of sovereignty. It is said of King George that, while dignity distinguishes him, he is the personification of kindness. In a word, he is a thorough gentleman.

The strength of the monarchy is founded upon the fitness of the occupant of the throne for the position to which he has been called, and upon the confidence reposed in him by the people. A wise sovereign will add to the stability of the throne as Queen Victoria and King Edward added to it.

The Condenser.

The various papers throughout the province are noticing more and more the preparations of the different public schools to celebrate Empire Day. This is as it should be.

What can be more important in the child's education than love for our Empire? This year in particular, our duty to our country takes on an added meaning. One king has died, but the Empire still lives, and the stability and continuity of British institutions are shown when a new king succeeds, with no other manifestation than that of grief for the dead, and pledges of loyalty to the living.

In the United States they have occasionally what are called 'flag incidents.' Some noble minded patriot takes umbrage at the display of a foreign flag and proceeds to demolish it. This is a harmless form of insanity, and only tends to show the patriotism of the innocent individual.

Monkton has been discussing the question of the Curfew Bell. In our own town it is common to see young children on the streets as late as eleven o'clock, and the question arises, What is to be done to remedy this state of affairs?

ANOTHER MIRACLE IN NOVA SCOTIA

Thought the Disease was Cancer of the Stomach

"FRUIT-A-TIVES" Cured Him

SYDNEY MINES, N. S., JANUARY 25TH 1910

"For many years I suffered torture from Indigestion and Dyspepsia. Two years ago, I was so bad that I vomited my food constantly. The agony I endured all these years, I cannot describe and I lost over 25 pounds in weight. I also suffered with Constipation which made the stomach trouble worse. I consulted physicians, as I was afraid the disease was cancer but medicine gave only temporary relief and then the disease was as bad as ever.

I read in the "Maritime Baptist" about "Fruit-a-tives" and the cure this medicine was making and I decided to try it. After taking three boxes, I found a great change for the better and now I can say "Fruit-a-tives" has entirely cured me when every other treatment failed, and I reverently say "Thank God for Fruit-a-tives!"

EDWIN ORAM, Sr.

"Fruit-a-tives" sweetens the stomach, increases the flow of gastric juice, strengthens the stomach muscles, and ensures sound digestion. The wonderful powers of this famous fruit medicine are never more clearly shown than in curing the apparently hopeless cases of Dyspepsia and Constipation. 50c a box, \$6 for \$2.50, or trial size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

DOCTOR THE CAUSE NOT THE EFFECT

If you are afflicted with boils, pimples, scrofula, salt rheum, eczema, or any other indication of impure blood, don't waste time and money in external remedies for the treatment of these symptoms.

YOU CAN AVOID ALL THESE THINGS BY TAKING NYAL'S BLOOD PURIFIER

Sometimes there are no outward symptoms of impure blood, but instead there is a feeling of languor, a run-down listless condition, loss of appetite, -showing that the organs and tissues of the body are not being nourished as they should be.

The use of Nyal's Blood Purifier is followed by the most pleasing results. The boils heal up and disappear; the skin becomes soft and smooth again, instead of harsh and scaly, or pimply. The liver is stimulated, the blood enriched, and soon the whole system feels the beneficial effect of this excellent remedy.

Pure bio d means health and strength. Nyal's Blood Purifier makes pure blood.
