C. Fred Chestnut, Fredericton, any substantial results. Mr. Mc-mind that although weather conrespond to the control of the con rheumatism. Rubbing may seem to case the pain while you are rubbing, but there its value ends. Only through the blood can you cure rheumatism. That's why live snearest commission itself to issue bonds on the credit of the province. Morey should be loaned by the live snearest to be at 4 per cent. Placing the proceeds and linked latining precisions from the west to be at 4 per cent. Placing the proceeds and linked latining precisions are underly possibility of famine. While we have no gold mines, our deposits of iron, coal, gypsum, is neglected. Being isolated ne becomes discouraged, and who can be induced to return. many thousands of cures of this trouble to their credit. The new, rich blood which they actually make drives out the poisonous acid, and rheumatism is vanquished. Here is an example. Mr. W. C. Louglas, Webbwood, Ont., says: "I was attacked with inflammatory rheumatism, which spread through my entire system. For two months I was not able to go about, and scemed to be hovering between life and death. My joints were swollen and my legs and arms twisted, until I expected that they would never return to any other land under heaven. their normal shape. The doctor seemed to help me, but not to cure me, and I would be better one day and worse the next. At this time a friend strong'y urged me to try Dr. Williams' Pink Pills and I get a dozen boxes. Soon after beginning the pills there was a change for the better, and I continued using the pills until I was quite well again. The swelling disappeared from the joints. My limbs returned to their natural shape and I feel as it Dr. Williams' Pink Pills have saved me from being a rheumatic cripple. I hope my ex-perience may prove a blessing to

If you suffer from rheur or any other disease of the blood, begin to cure yourself today with Dr. Williams' Pink Pills. Sold bo all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co. Brockville, Ont.

banking system endorsed by the original motion. He asked what the Government was for if not to of co-operative trading, which is so look after the interests of all classes. Was it only to bonus rail ways and the big corporations? Farmers and Workmen should be assisted here as the former are in provements, incomes and polls, Australia and the latter in Ireland. It would be risky to refer the matter to the Union of N. B. Municipalitie, as the executive of that body had failed to prepare legislation for this session to carry out the views of their last convention on taxation reform.

Mr. Armstrong's amendment lost and the original motion carried, being referred to a com-mittee to press it upon the local government.

A GREAT STEP FORWARD

Mr. Arthur Hawkes, Dominion Immigration Agent, declared the joined to the resources and faciliadoption of the foregoing resolution marked a great step in provincial progress, being a recogni-tion of the principle that public credit must be used for the benefit of the farmers.

Premier Flemming closed the betier conditions. Then people convention in a strong speech, speaking of the importance of imvantages, advocated as immediate matter be referred to the boards land. He said the government improvements universal free rural of trade and union of municipality was prepared to do its duty in the mail delivery, parcels post, nation. migration in general and of teach-
