BREAKFAST.

"BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations ofdigestion and nutrition, and by a careful application of the fine properties of well selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tandancy to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a wesk point. We may ecape many a fatal shaft by keeping cursolves well fortified with pure blood and a properly nourighed frame." "Civil Service Quetile.
